

Impact of IT in Daily life

Now day's people use PC, on which they can see movies, play games, prepare office sheets and manage daily planners.

Now day's people use mobile phone apps to meet and connect with new and old friends. By using Social networking sites or app, have played a big role in connecting both old and new relationships.

Technology has also made the buying and selling of good so flexible. With the introduction of e-payment systems, users can easily purchase any thing online without living the comfort of their homes.
