Life Skills

A. Sharing and caring

Our family is our strength. We all love each other in the family.

We should also share work with our family members. Tick (✓) the activities you follow :

a. I keep my things at proper place.

☐

b. I clean my room.

☐

c. I polish my shoes.

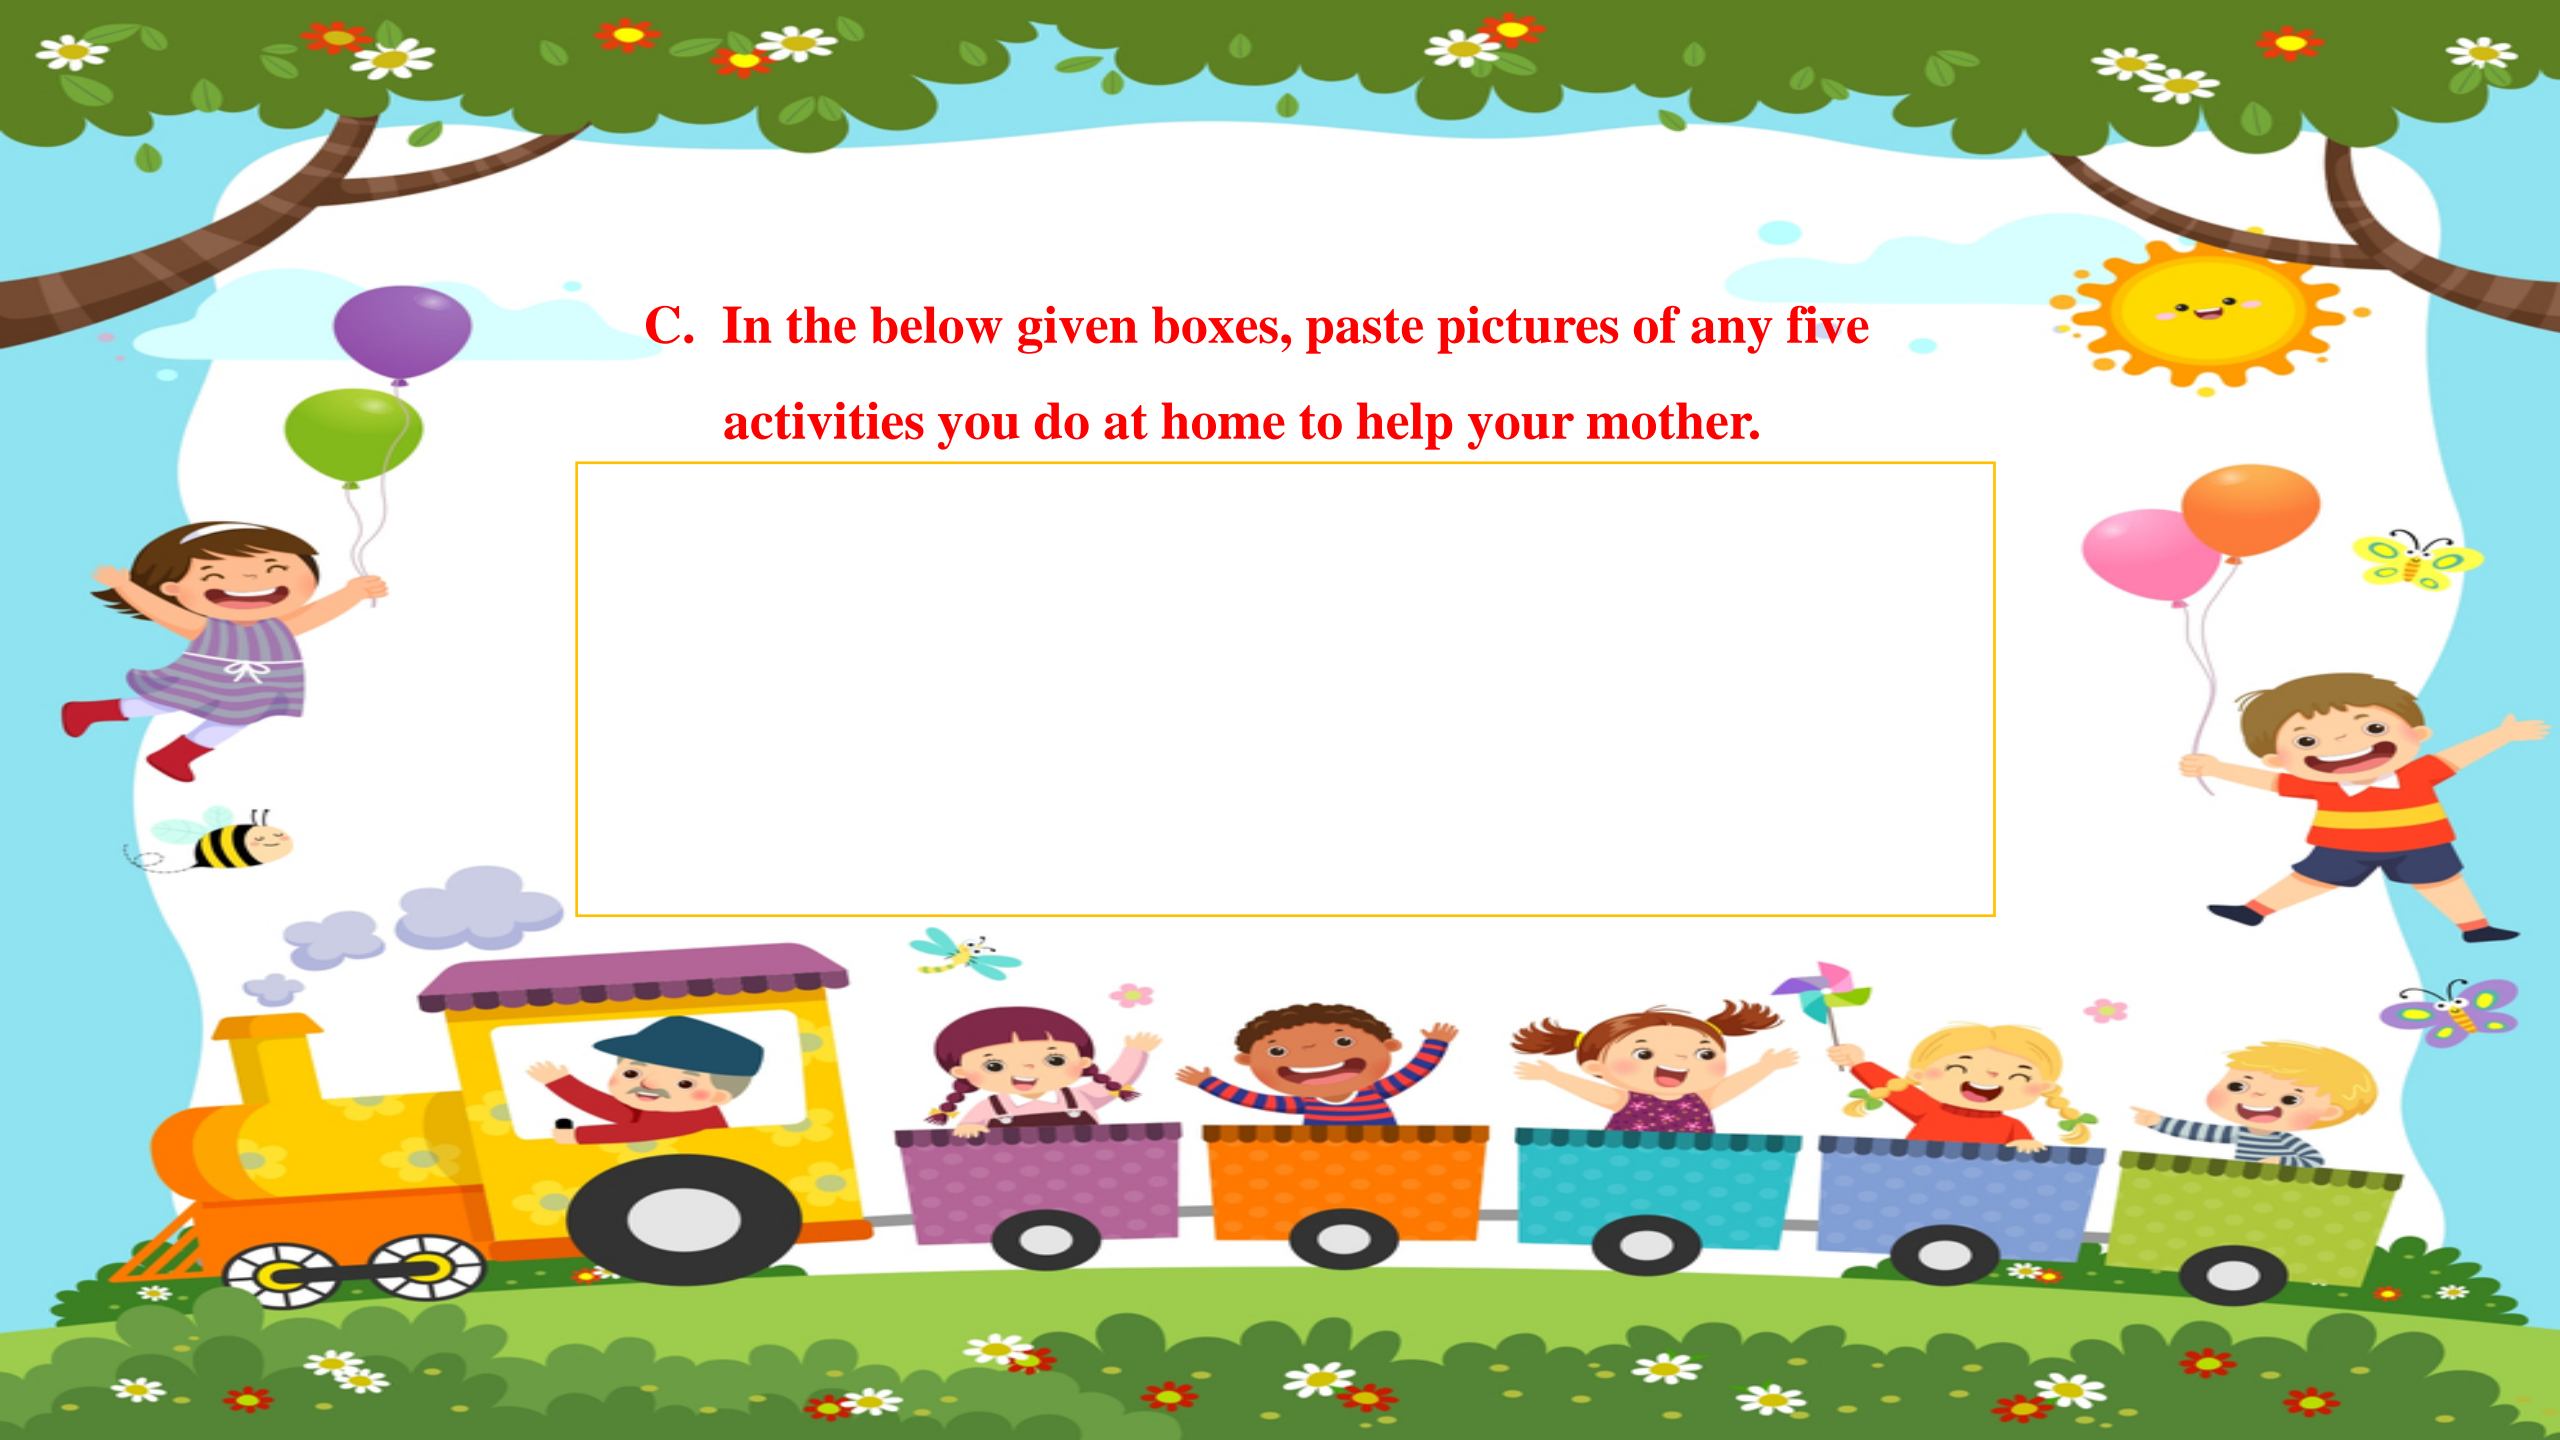

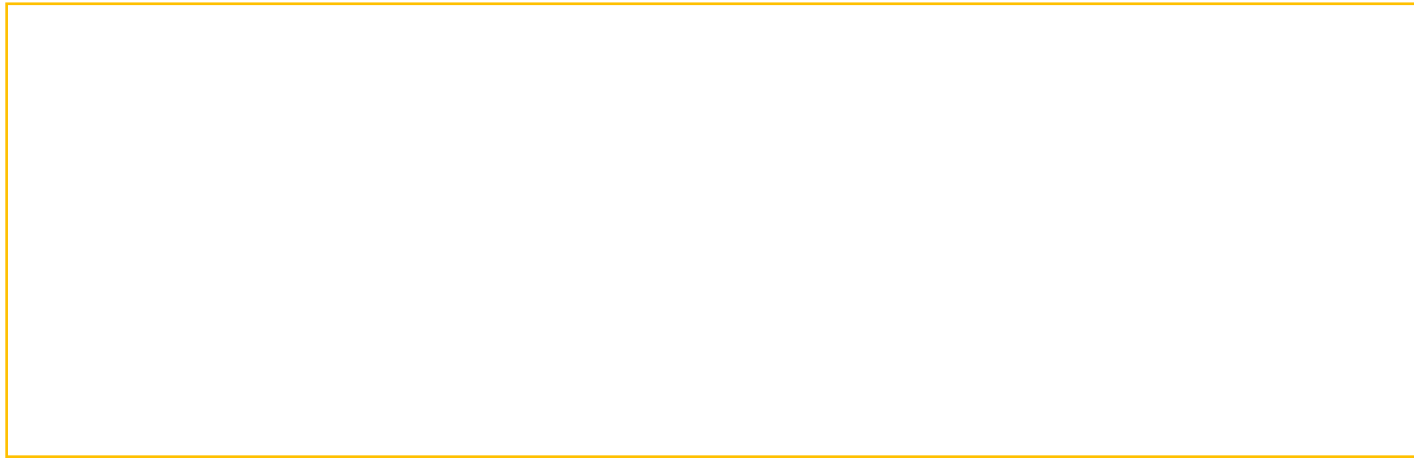

d. I help my mother in household works.

B. Make a thank you card for your parents to thank them for everything they do for you.

C. In the below given boxes, paste pictures of any five activities you do at home to help your mother.

A rustic, handmade tag made of light brown cardboard is the central focus. It has a small hole on the left side with a black string threaded through it. The tag is placed on a weathered wooden surface. Three white daisies with bright yellow centers are scattered around: one is in sharp focus to the right of the tag, while two others are in the background, slightly out of focus. The overall scene is warm and natural.
