FRACTIONAL NUMBERS

Put a tick (✓) on the figure which shows four equal parts of one whole :

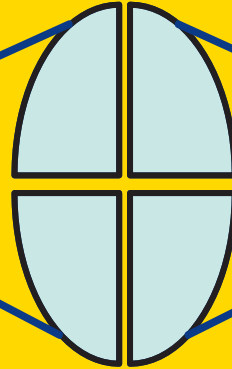

One-Fourth (or A Quarter)

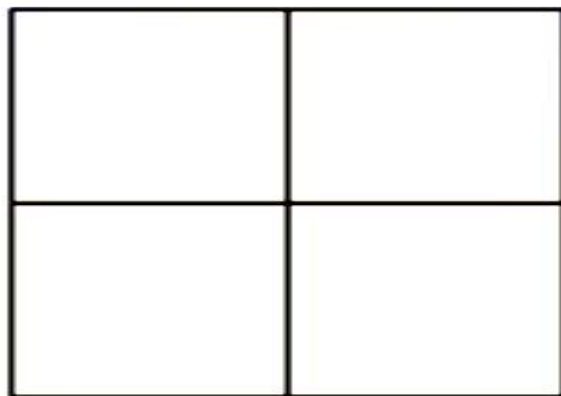

A quarter
or one-fourth
of one whole

A quarter
or one-fourth
of one whole

ONE-FOURTH

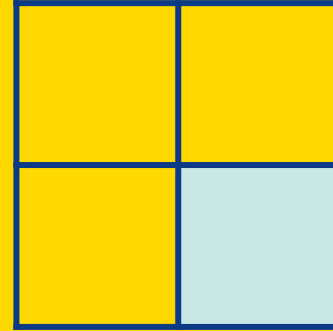

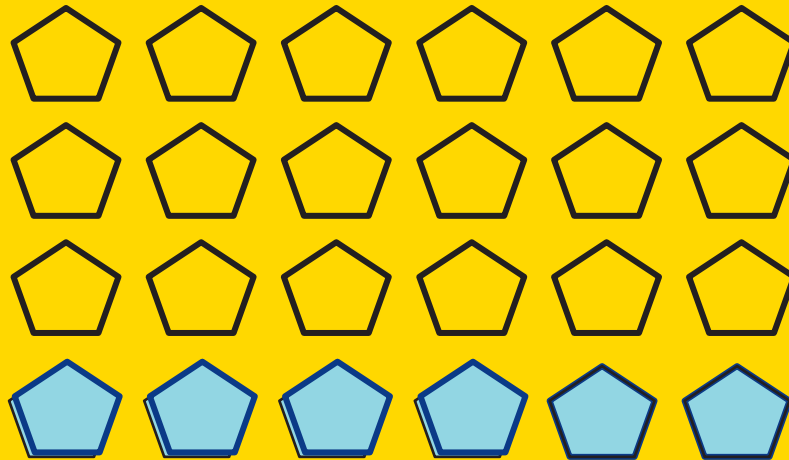

**If we divide an object into four equal parts,
each part is one-fourth or quarter of the whole.**

We write a quarter or one-fourth as $\frac{1}{4}$

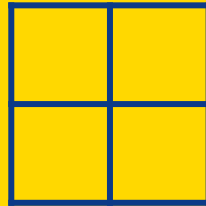

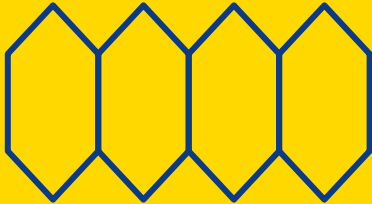

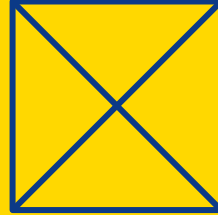

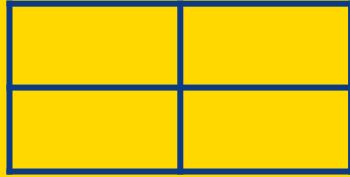

**There are 4 equal parts. 1
part is shaded. So, a
quarter or $\frac{1}{4}$ of one whole
is shaded.**

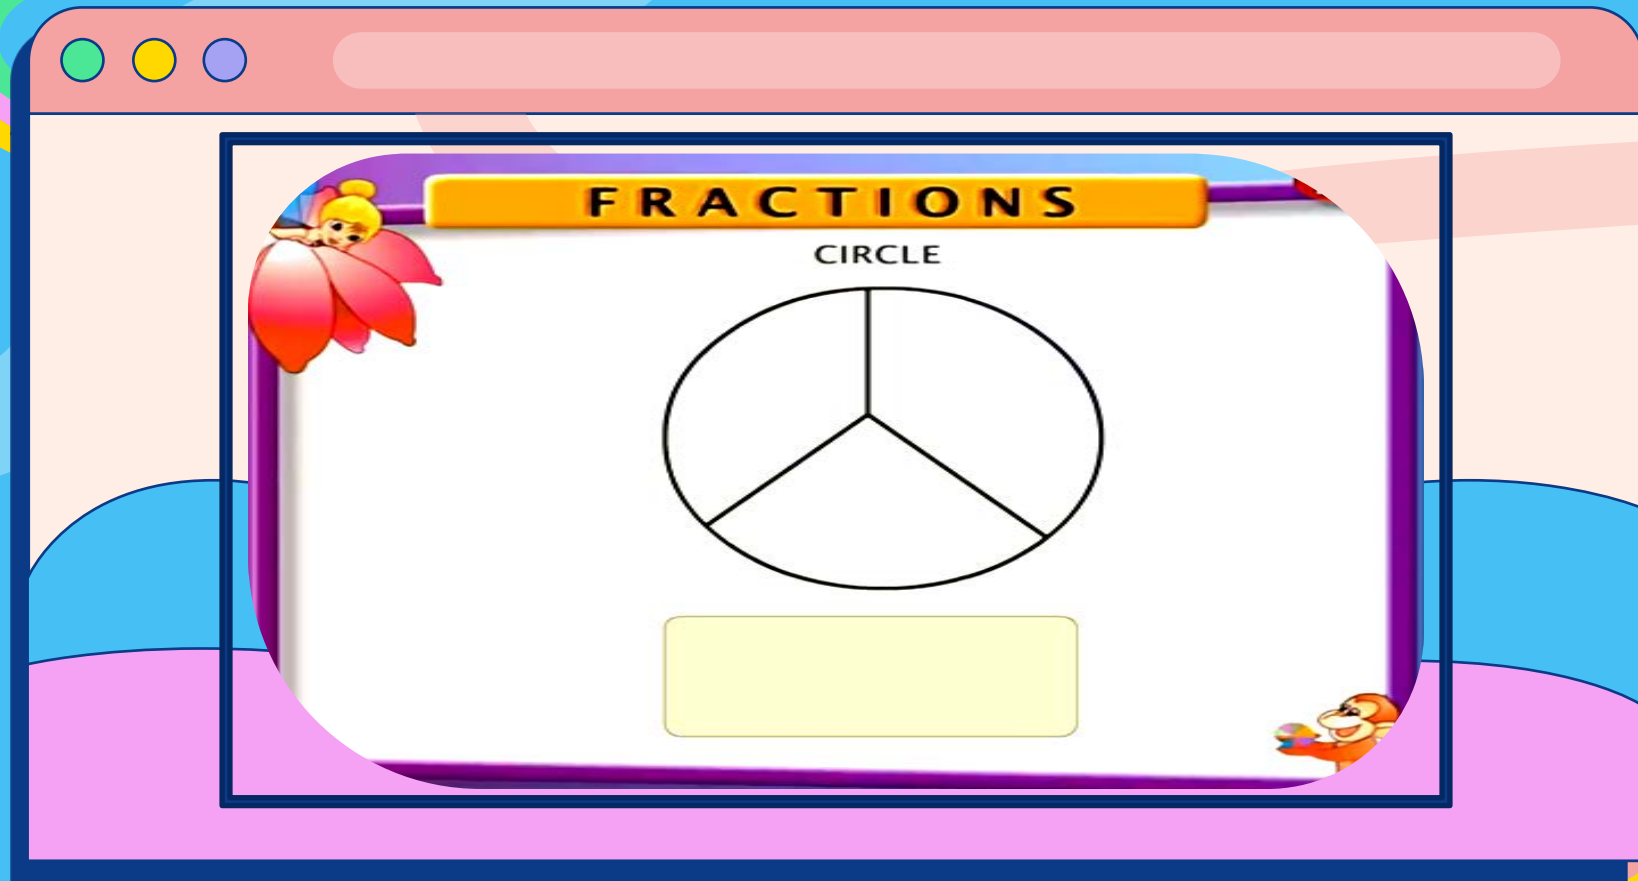

There are 4 equal parts of the collection. 1 part of the collection is shaded. So, one-fourth or $\frac{1}{4}$ of the collection is shaded.

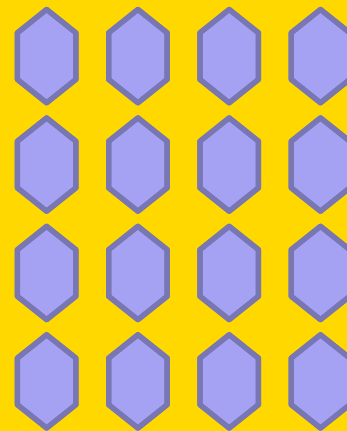

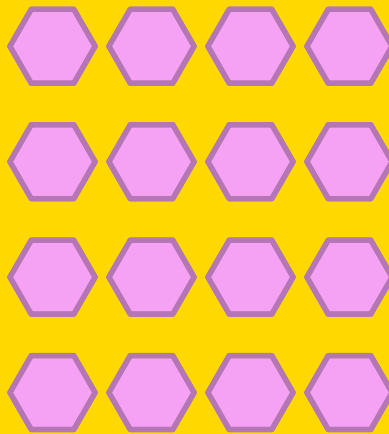

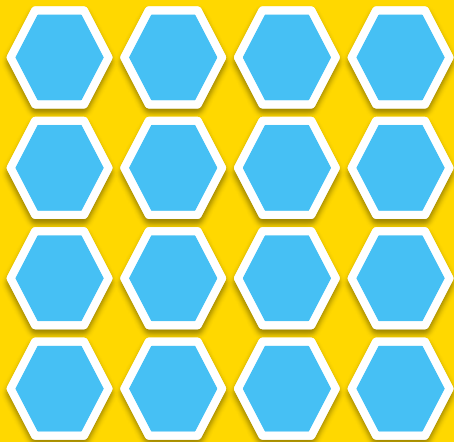

1. Colour (one-fourth) of each figure :

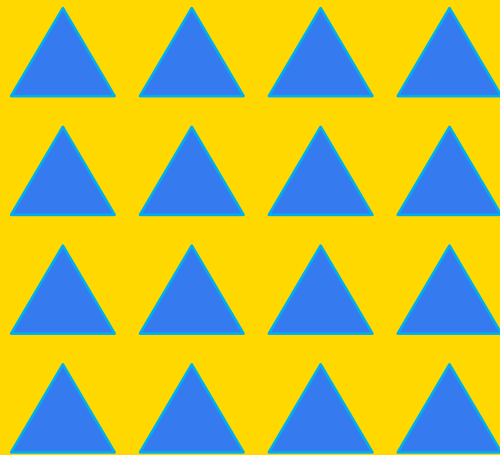

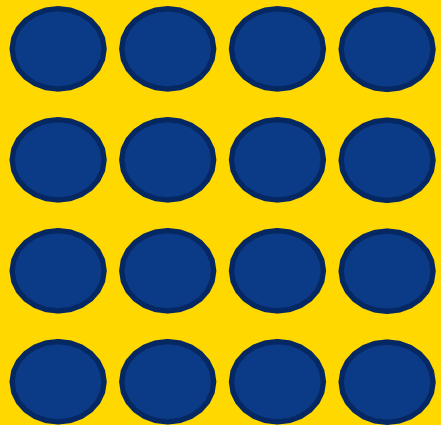

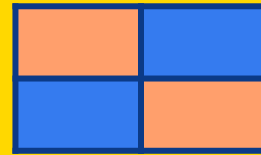

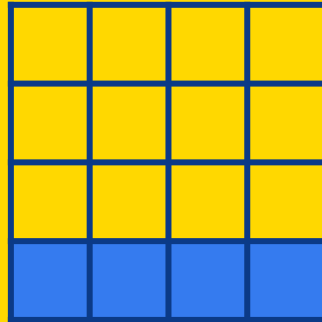

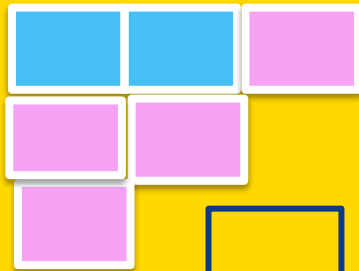

2. Colour one-fourth of each collection :

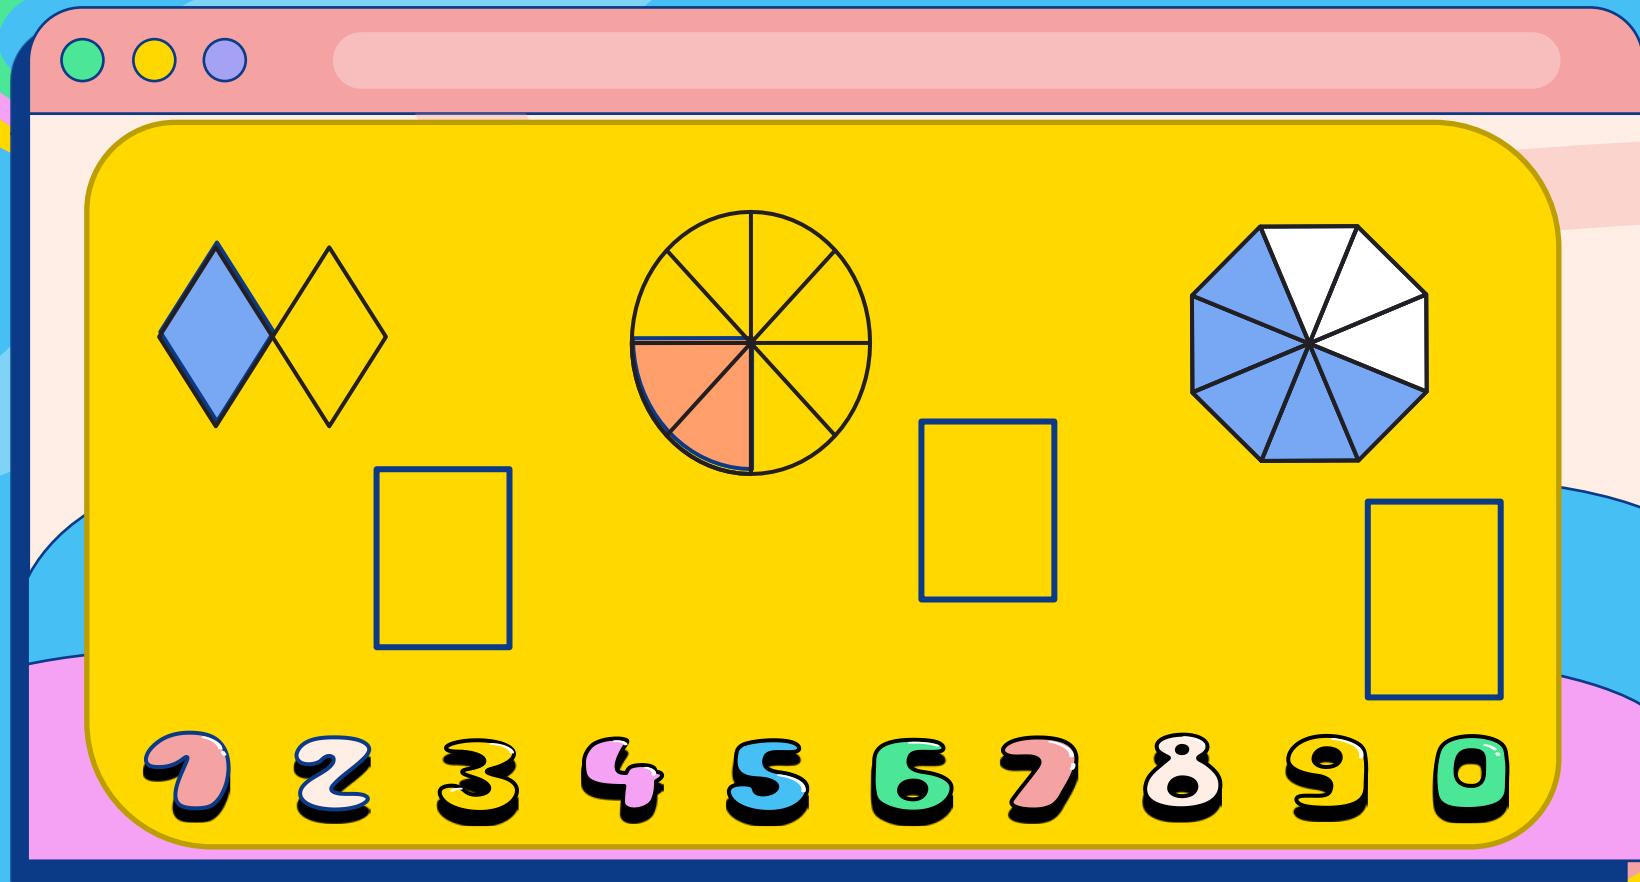

2. Colour one-fourth of each collection :

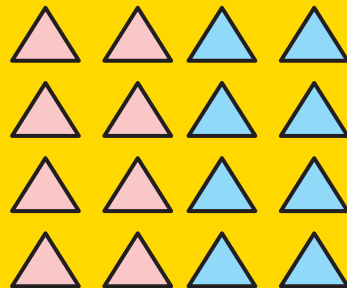

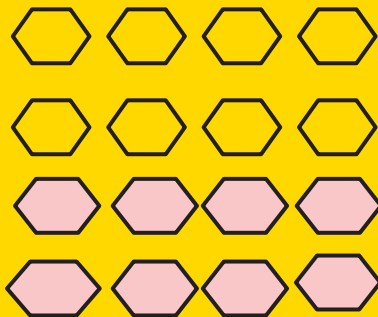

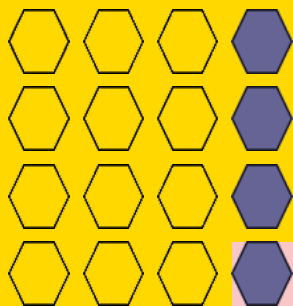

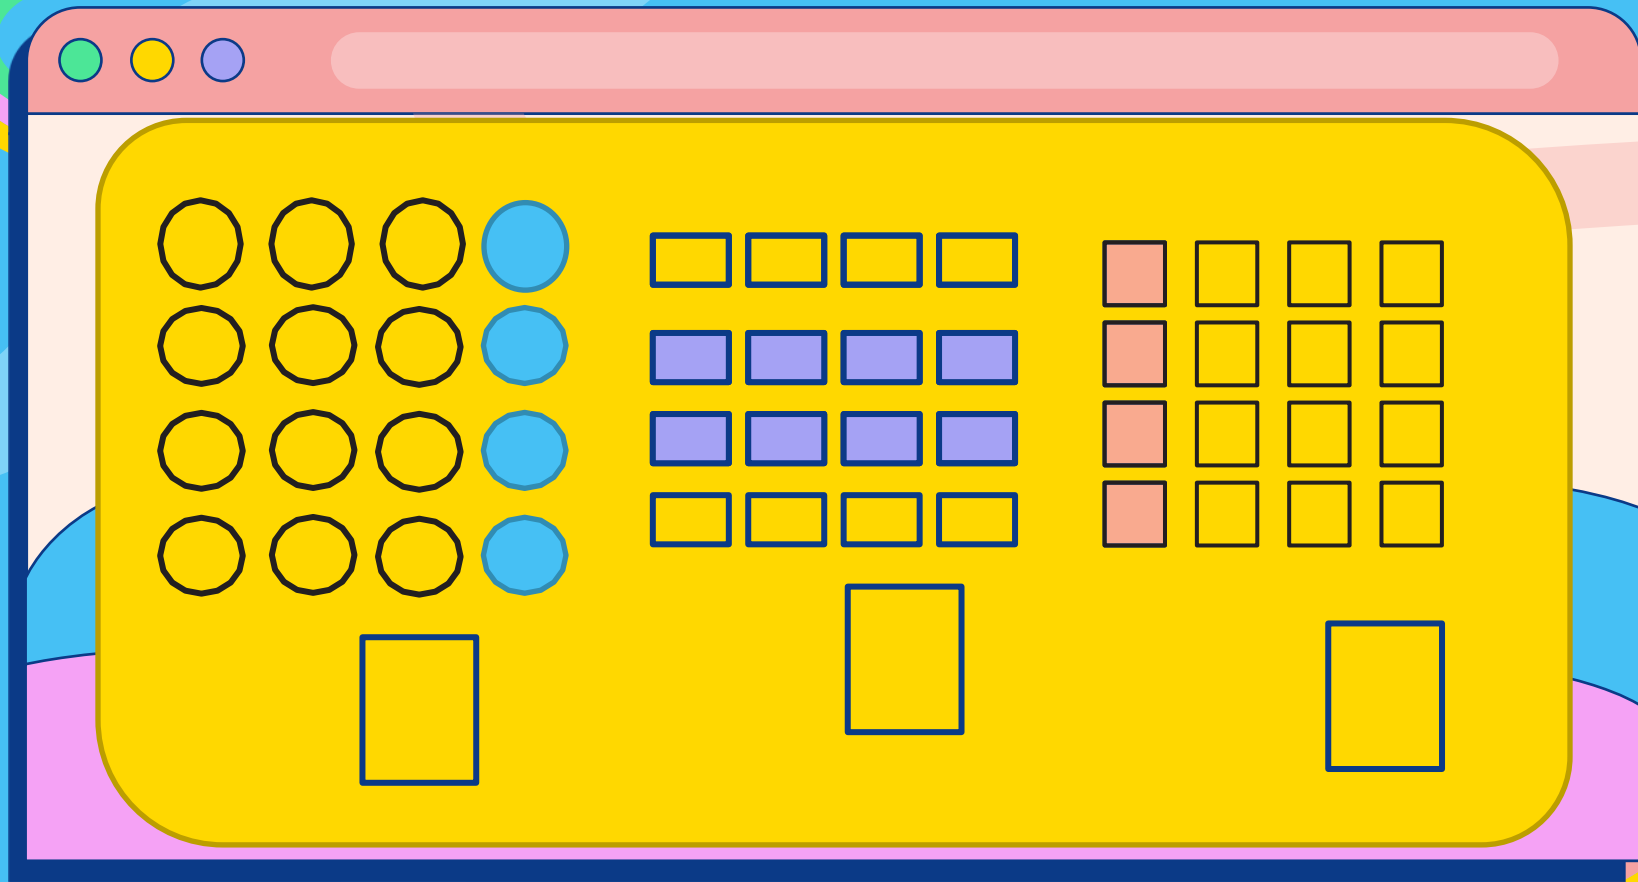

Fill in the boxes with $\frac{1}{2}$ or $\frac{1}{4}$ which indicates the shaded part.

Fill in the boxes with $\frac{1}{4}$ or $\frac{1}{4}$ which indicates what part of each collection is shaded

The image features a central browser window with a pink header bar containing three window control buttons (green, yellow, and purple). The main content area is a light pink rectangle with the word "THANKS!" in a large, purple, sans-serif font. Below the text, there are two cartoonish landscape elements: a green hill on the left with a purple base and a smiling face with blue eyes and a yellow mouth, and a purple hill on the right with a smiling pink cloud face. At the bottom of the window is a purple bar containing the numbers 1 through 0 in various colors and styles. The entire scene is set against a vibrant blue background with a yellow and pink rainbow in the top-left and bottom-right corners, and several floating stars and planets, including a green planet with a yellow ring.

THANKS!
