Life Skill

A. Know the world around you

Several animals live in your house and in your surrounding. Watch these animals carefully and observe their living habits. Every living being teaches you a lesson. Try to learn from them. For example, the ant teaches you to do hard work.

B. Make a list of 15 animals and find out whether they lay eggs or give birth to young ones and also paste their pictures.

00

 \circ

Animals	Lay egg	Give birth to young ones	Picture

C. Make a list of different breathing organs. Find out at least five animals of each who breathe through that organ.

00

O

Breathing Organ	Animal			
Gills				
Lungs				
Air holes				

°-0°
