Life Skill

- A. Human beings are the only ones who look after their young ones for the longest period of time. Our parents take care of us for many years. We should respect them. Do you respect and obey your parents and elders? You should do the following:
 - a. Never speak a lie.

b. Always obey them.

d. Learn your lesson every day.

c. Keep the things in proper place.e. Do your work on time.

B. Take some dry leaves, thread, grass, wood, cotton etc. Make three different types of nests with the help of these things.

C. Make a bird bath

Take a medium size earthen platter. Make few holes at the edges of the platter. Tie wires to the holes. Now tie all the wires together and hang the platter to a lower branch of a tree in your garden. The tree should be away from the other trees. Now fill the platter with water. Watch the birds playing in the platter in the afternoon.

D. Make a list of the birds that migrate from one place to another. Collect informations of five such birds. Find out where they live and where and when do they migrate.
