The background is a vibrant, colorful illustration. At the top center, a monarch butterfly with orange and black wings is flying. The right side is adorned with a large, detailed cluster of pink and white roses. The bottom of the image is a lush garden scene with green grass, white daisies, orange flowers, and a yellow sunflower. A ladybug is visible on the grass. Decorative swirls and floral motifs are scattered throughout the scene.

Life Skills

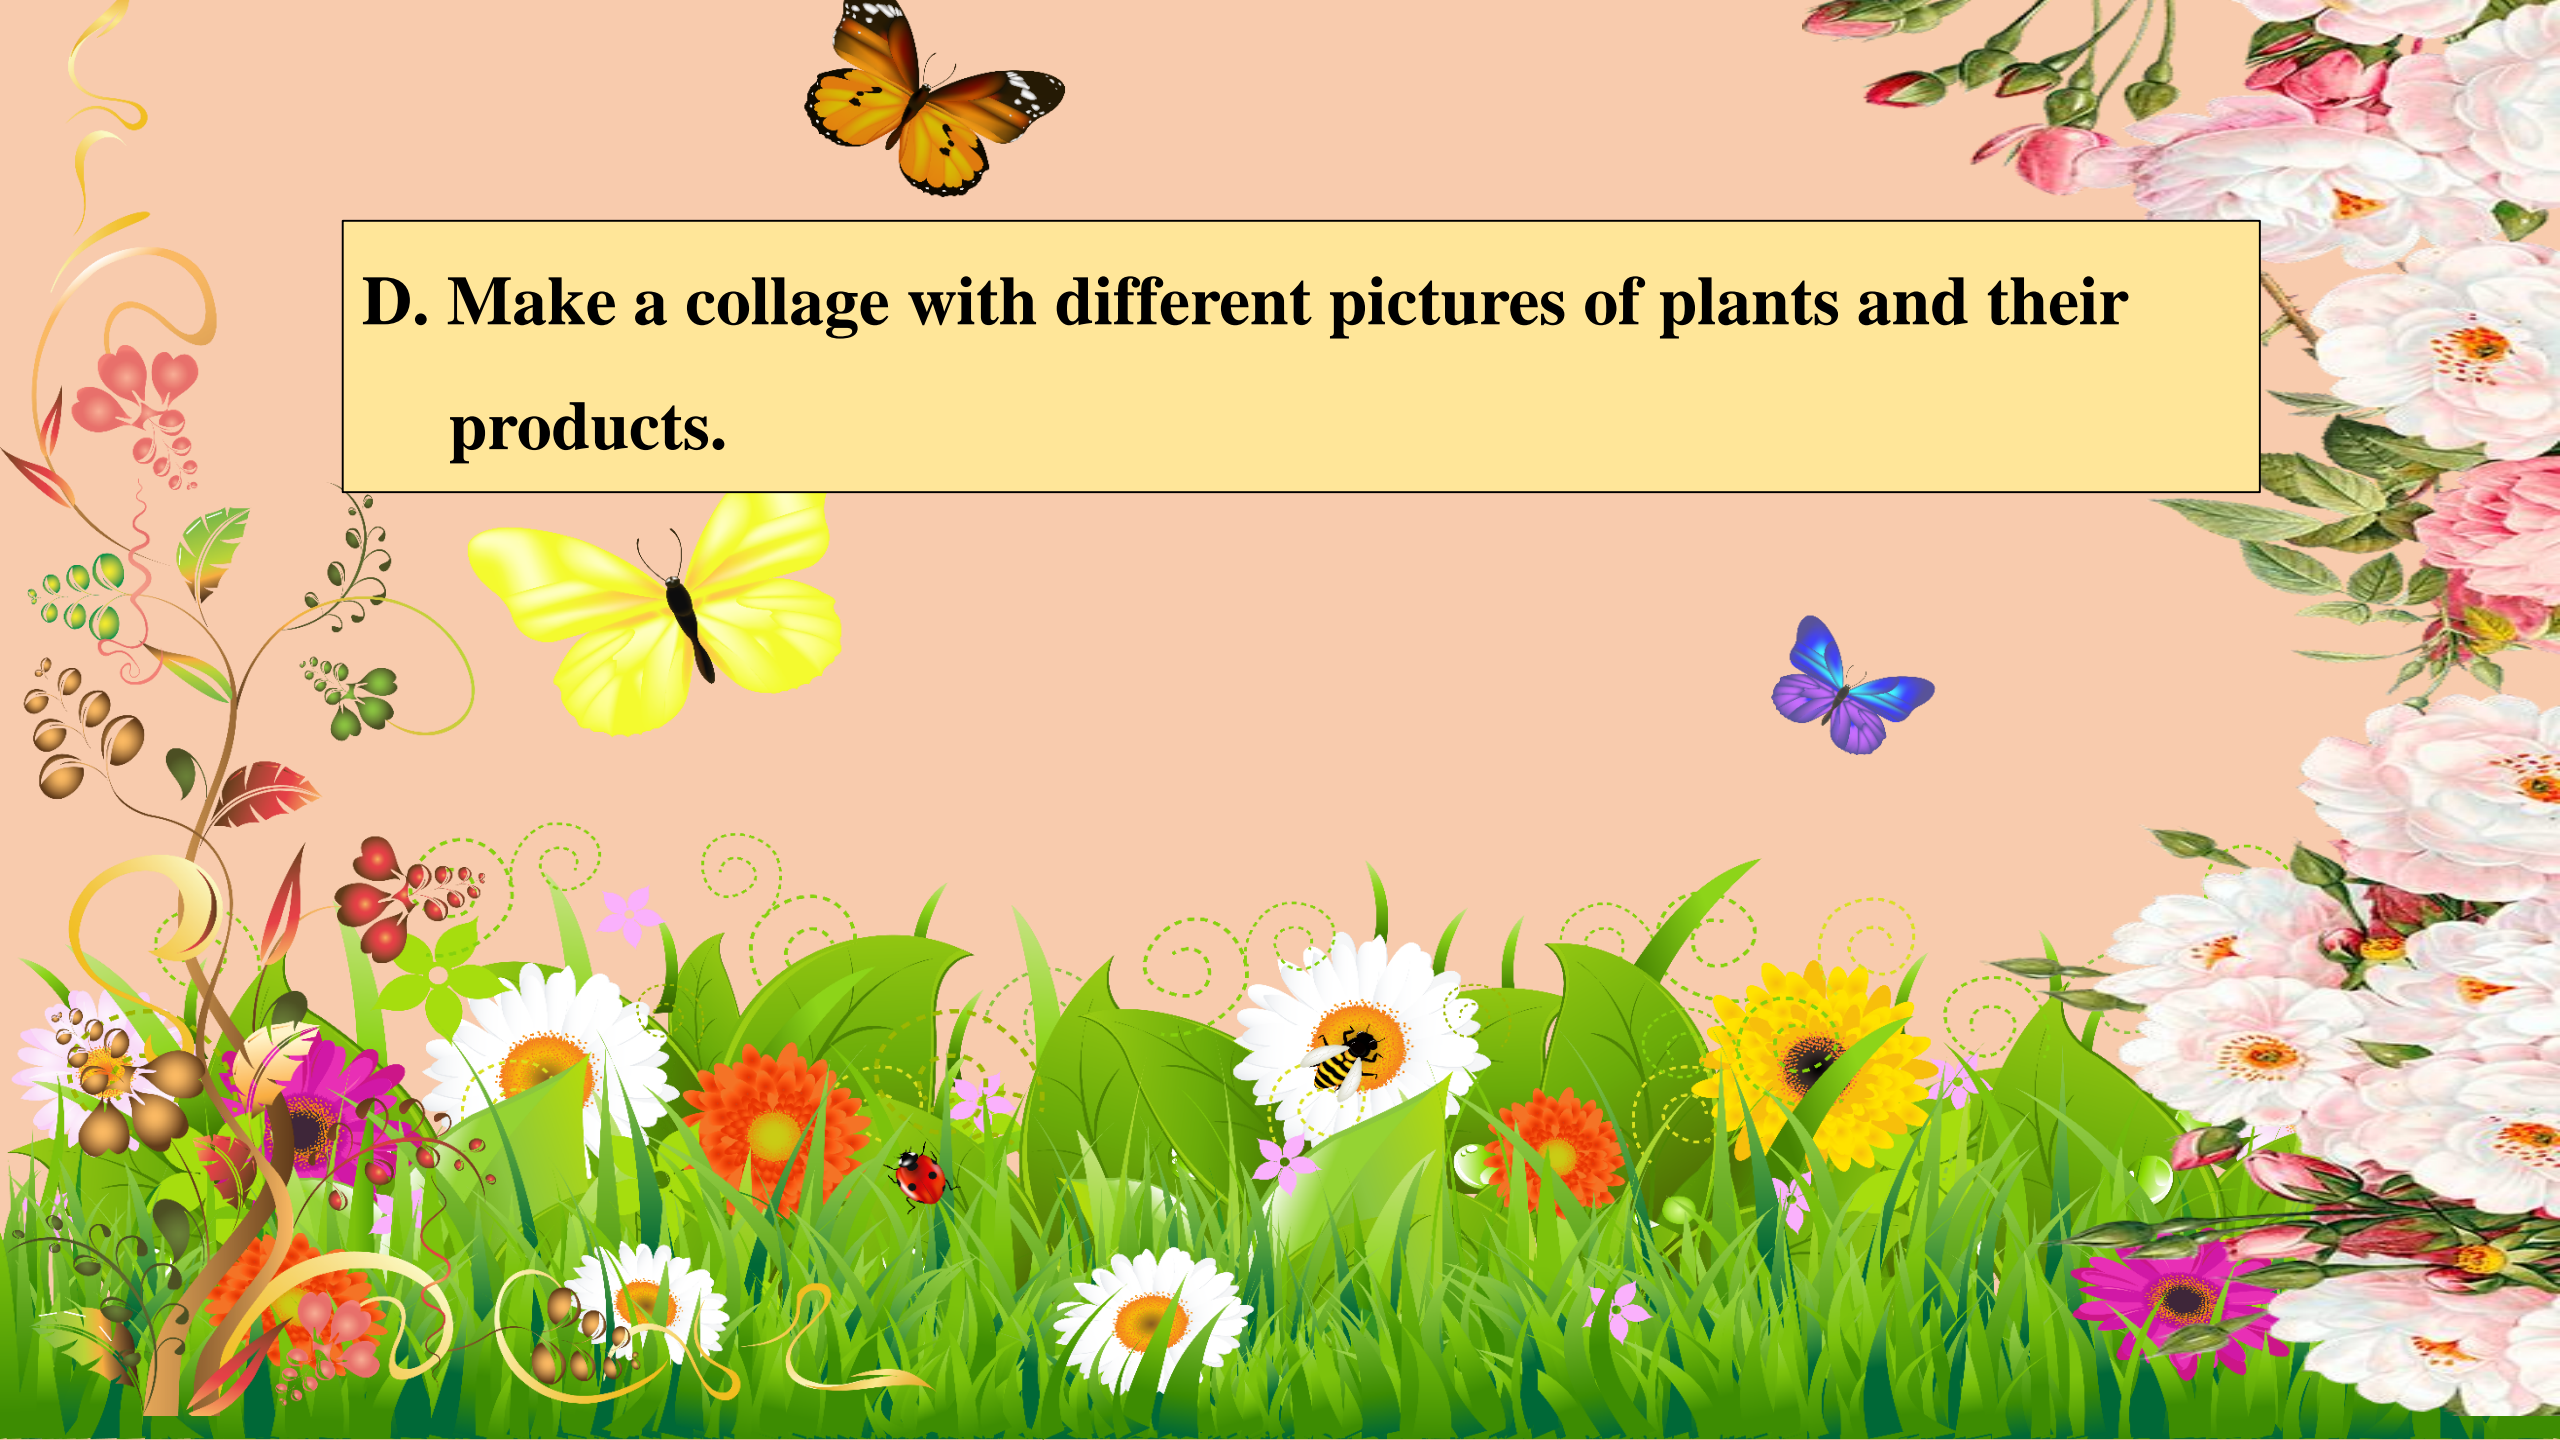

A. Plants are our friends

Plants give us many things. They also give shelter to many animals. They provide clean and fresh air. We should take care of plants and save them from cutting.

B. Make a list of things that are provided by the plants.

C. Go to a garden and look for animals and birds living on the trees. Write names of those animals and birds.

The background is a vibrant, colorful illustration of a garden scene. It features various flowers including white daisies, orange and yellow daisies, pink roses, and purple flowers. There are also green leaves, a ladybug, and several butterflies in orange, yellow, and blue. The scene is framed by decorative swirls and a yellow box containing text.

D. Make a collage with different pictures of plants and their products.
