2. The calendar

We know the months of the year and the days of the weeks.

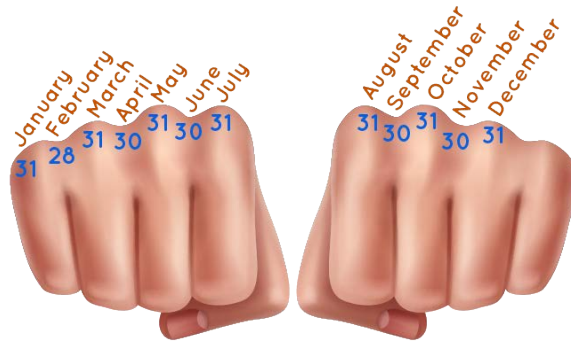

Months of the year:

January		March	April
	June		August
September		November	

Days of the week:

Monday		Wednesday	
Friday		Sunday	

Months may have 30 or 31 days. Except for February, which has 28 or 29 days.
We may use our knuckles to find out the number of days in a month.
