- c) To plant more trees
- d) To open new hospitals

2. What does Swachh Bharat Abhiyan encourage people to do?

- a) Throw garbage on the streets
- b) Use plastic bags frequently
- c) Keep their surroundings clean
- d) Waste water and electricity

3. When was Swachh Bharat Abhiyan launched?

- a) 15th August 2014
- b) 2nd October 2014
- c) 26th January 2015
- d) 5th June 2013

B. Fill in the Blanks:

1. Swachh Bharat Abhiyan aims to make India _____ and free of litter.
2. People are encouraged to use _____ toilets under the Swachh Bharat Abhiyan.
3. Swachh Bharat Abhiyan was started by the _____ government.

C. Case Study:

Ravi and his friends live in a small village. Earlier, their village did not have proper toilets, and people used open fields. Because of this, many villagers often fell sick. After the launch of Swachh Bharat Abhiyan, their village got new toilets and dustbins were placed in public areas. The children also started helping by cleaning the school surroundings every week. Now, the village looks cleaner, and fewer people get sick.

Case Study Questions:

1. What problem did Ravi's village face before Swachh Bharat Abhiyan?
2. How did the construction of toilets help the villagers?
3. What steps did Ravi and his friends take to keep their school clean?
4. Why is it important to keep public places clean?

D. Short Answer Questions:

1. What does the Swachh Bharat Abhiyan campaign promote?
2. Why should we use dustbins instead of littering?

3. How can children help in keeping their surroundings clean?

E. Long Answer Questions:

1. Explain the importance of Swachh Bharat Abhiyan and how it helps in keeping India clean.
 2. Describe how maintaining cleanliness can prevent diseases.
 3. Suggest some ways in which people can support the Swachh Bharat Abhiyan in their daily lives.
