

## Members of a Family

### Elder Members (Grandparents)

- **Grandfather** – He is the father of your father or mother.
- **Grandmother** – She is the mother of your father or mother.

They tell stories and teach good values.

### Parents:

- **Father** – He takes care of the family and works to provide for everyone.
- **Mother** – She loves, cares for, and teaches children.

Parents take care of their children and teach them good habits.

### Children:

- **Brother** – A boy child in the family.
- **Sister** – A girl child in the family.

Brothers and sisters play together and help each other.

### Other Family Members:

- **Uncle** – Your father's or mother's brother.
- **Aunt** – Your father's or mother's sister.
- **Cousins** – The children of your uncle and aunt.

They are part of a joint family.
