

Introduction of Our Animal Friends

Animals

When we see around us we see many animals. All animals are different in size and shape.

Some animals are big and some animals are small. Some animals like dog, cat we keep in our house as a pet animal where as some animals like tiger, lion lives in forest.

We keep animals as a pet on farm for our help. Animals are also important for us. As they also support us in our work.

Types Of Animals

According to our usage we divide animals into three parts. They are:

- A. Wild Animals
- B. Domestic Animals
- C. Pet Animals
