

Traffic Lights

Traffic lights are the lights on the road which are set up for our safety. There are three colours on these lights. Each colour tells us what we should do.

⇒ Learn what Traffic Light says:

- A. First colour is **red**, which tells us to **stop**.
- B. Second colour is **yellow**, which tells us to **wait**.
- C. Third colour is **green**, which tells us to **go**.

⇒ To control the **TRAFFIC** the road there is **TRAFFIC POLICE**.
