

## Top - Bottom

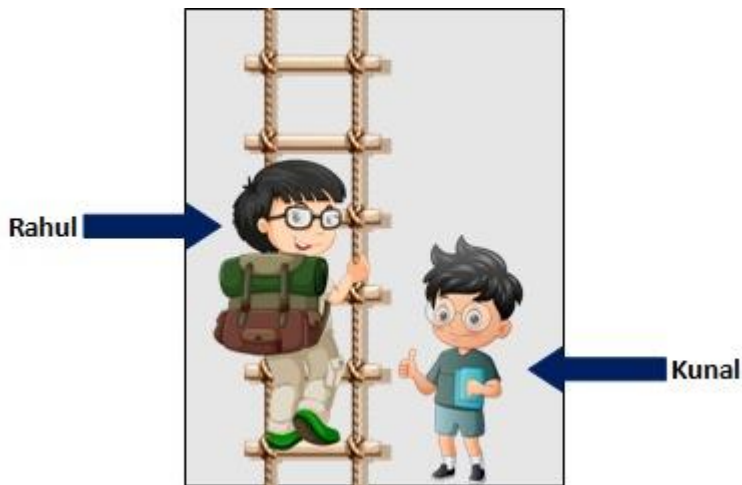

**Top** → Top means up

**Bottom** → Bottom means down

Let's take an example of our body, the top part of our body is our head and bottom part is our feet.

**Look at some more examples:**

In this picture Rahul is standing at the top of the ladder and Kunal is standing at bottom of the ladder.

⇒ In this picture bird is sitting at the top of the tree and rabbit is sitting at the bottom of the tree.
