

## Our Currency

 Money is used by everyone. Without money, we cannot buy anything. Every country has its own money and each is called by a different name. In India, we call our money as rupees (₹) and paise (p).

### ⇒ Knowing Currencies

Given below are some commonly used coins.

⇒ 25 p and 50 p coins are not very common nowadays.

It has two sides named heads and tails.

The side that shows the number that gives the value of the coins is called 'tails'.

The other side of the coin is called 'heads'.
