

Addition and Stroke

We can also add the digits through strokes/lines.

To add 5 and 3

Draw the number of sticks

5 + 3
||||| |||

Count and write the total number of sticks.

||||| ||| = 8 sticks

Thus $5 + 3 = 8$

To add 4 and 3

Draw the number of sticks

4 + 3
|||| |||

Count and write the total number of sticks.

|||| ||| There are 7 sticks.
