

## Their Role in Family

### Grandparents (Elders in the Family)

- **Grandfather** – Tells stories, gives advice, and takes care of everyone.
- **Grandmother** – Cooks tasty food, teaches good habits, and loves grandchildren.

### Parents (Head of the Family)

- **Father** – Works to earn money, protects the family, and helps in household work.
- **Mother** – Cooks food, teaches children, takes care of the house, and loves everyone.

### Children (Young Members of the Family)

- **Brother & Sister** – Play together, help parents, and study.
- **Elder Siblings** – Take care of younger siblings and help in small tasks.

### Other Family Members:

- **Uncle** – Supports the family and helps in different ways.
- **Aunt** – Takes care of children and helps in household work.
- **Cousins** – Play and study together, sharing love and joy.
