

Types of Family

Types of Family:

A family is a group of people who live together and take care of each other. Families can be of different types.

Small Family (Nuclear Family)

A family with parents and children.

It is a small family with only mother, father, and their children.

Example:

- A family with father, mother, one or two children.
- Father + Mother + Daughter + Son

Large Family (Joint Family)

A family where grandparents, parents, uncles, aunts, and cousins live together.

It is a large family with many members.

Example:

- A family with grandfather, grandmother, parents, uncles, aunts, and cousins.
- Grandfather + Grandmother + Father + Mother + Children + Uncle & Aunt
