

Introduction of Our House

House

A house is a place where we live. We all need house to keep ourself protect and safe.

⇒ House protects us from a lot thing like:

- A. It protects us from heat.
- B. It protects us from rain.
- C. It protects us from enemies.
- D. It protects us from wild animals.
- E. It protects us from cold and wind.

We need a house to fulfill above needs. So for that a house should be very strong. We all need different types of houses to live in according to our needs and importance.

There are two main types of houses.
