

WORLD CAPITAL AND CURRENCY

❖ Capital

“Money that is used to make more money.” This definition can apply to individuals in the greater economy and to companies. In the world of business, the term *capital* means anything a business owns that contributes to building wealth.

❖ Sources of capital include:

- ✓ **Financial assets** that can be liquidated like cash, cash equivalents, and marketable securities.
- ✓ **Tangible assets** such as the machines and facilities used to make a product.
- ✓ **Human capital**; i.e. the people that work to produce goods and services.
- ✓ **Brand capital**; i.e. the perceived value of a brand recognition.
