

Chapter – 9 We Help Each Other

Class -1

E.V.S

I am Vivek. I have a happy family.
We all share the work in our house.
We help each other.

**My father brings
milk, vegetables and
fruits from the market.
He helps me in my
homework. He drops me
at the school.**

My mother cooks
food for all the family
members. She keeps
the house clean. She
packs my lunch box
and helps me to pack
my school bag.

Things to Remember

- We should help each other.

A rustic, handcrafted 'Thank you!' tag made of brown cardboard is the central focus. It is tied with a black string on the left side. The tag is placed on a weathered wooden surface. Three white daisies with yellow centers are scattered around: one is in sharp focus to the right of the tag, while two others are blurred in the background. The overall aesthetic is warm and natural.

Thank
you!
