

What do Animals Eat ?

Class 1
English

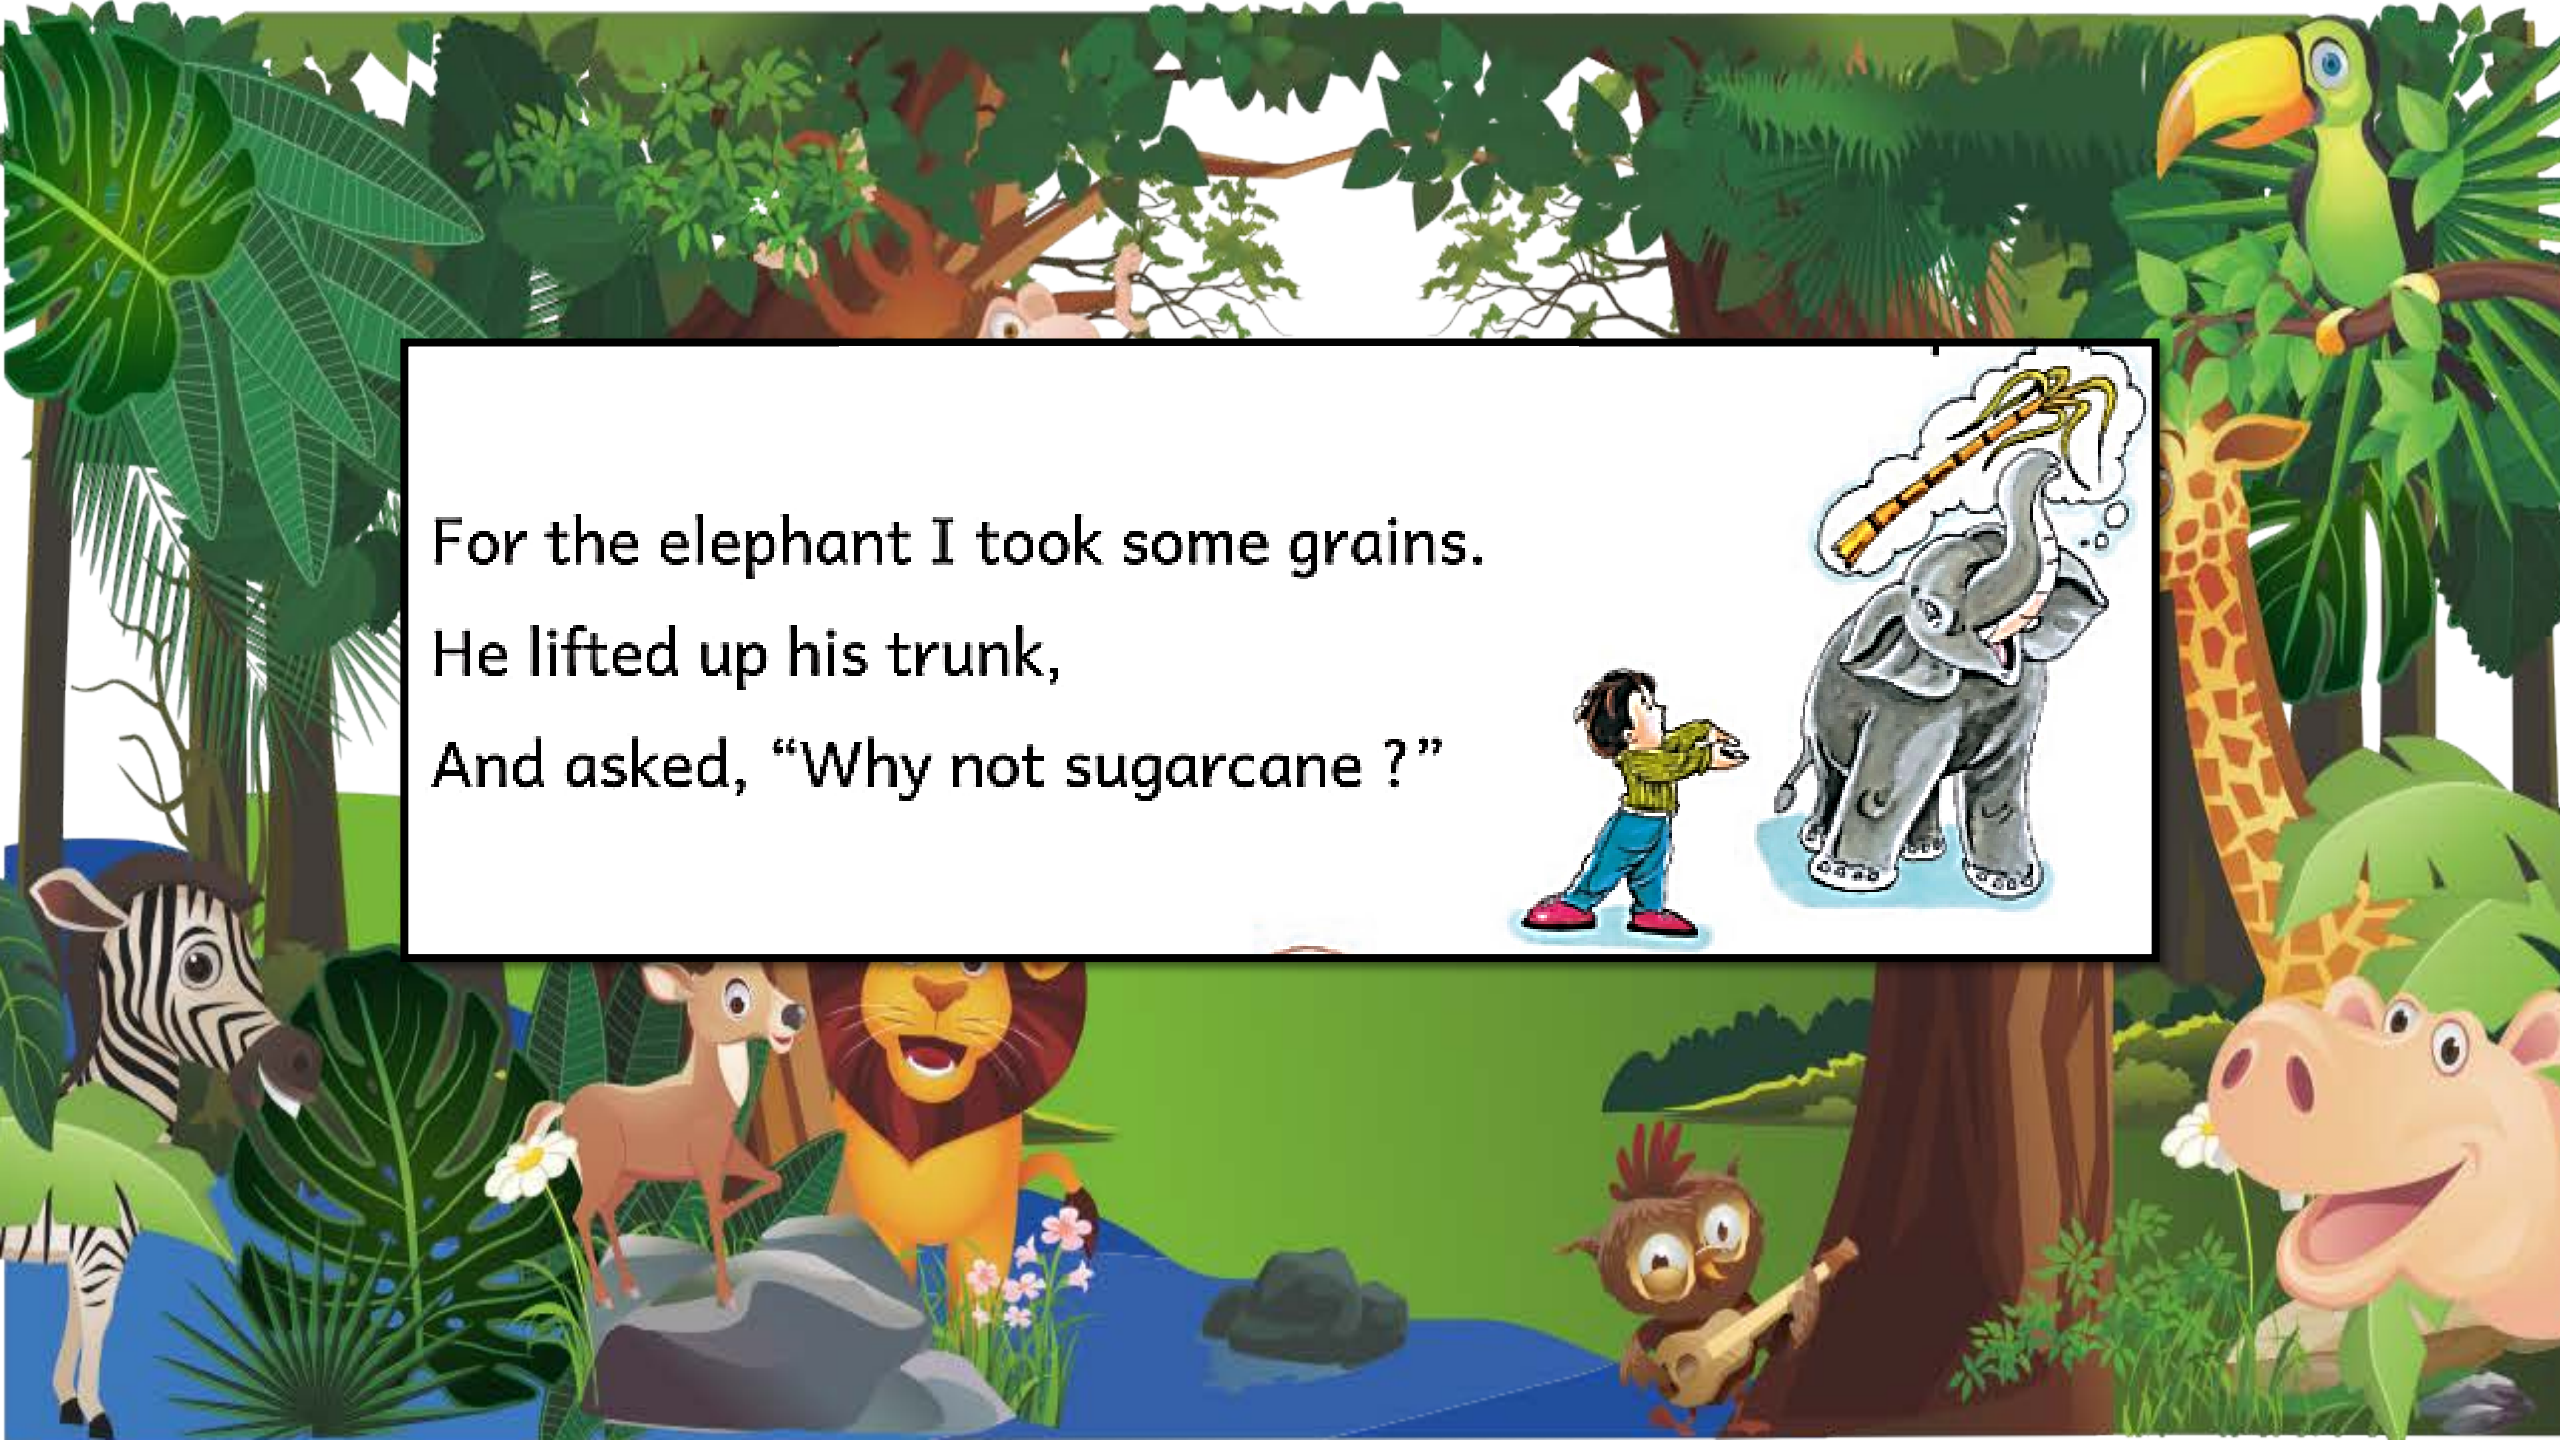

I bought an apple
for the rabbit,
but nibbling carrots
is his habit !

For the monkey
I brought some grapes.
“I like bananas,” he said.
And called me an ape !

For the elephant I took some grains.
He lifted up his trunk,
And asked, "Why not sugarcane ?"

I gave some grass to the dog.
It did not move
But slept like a log !

For my cow
I picked up some hay.
It mooed and said,
“You have made my day
