

7.Greenery

Class 1 ENGLISH

**Where there are
herbs, shrubs, and trees
Grass upto the knees
That's my favourite picnic spot.
With cool breeze, it
can never be hot.**

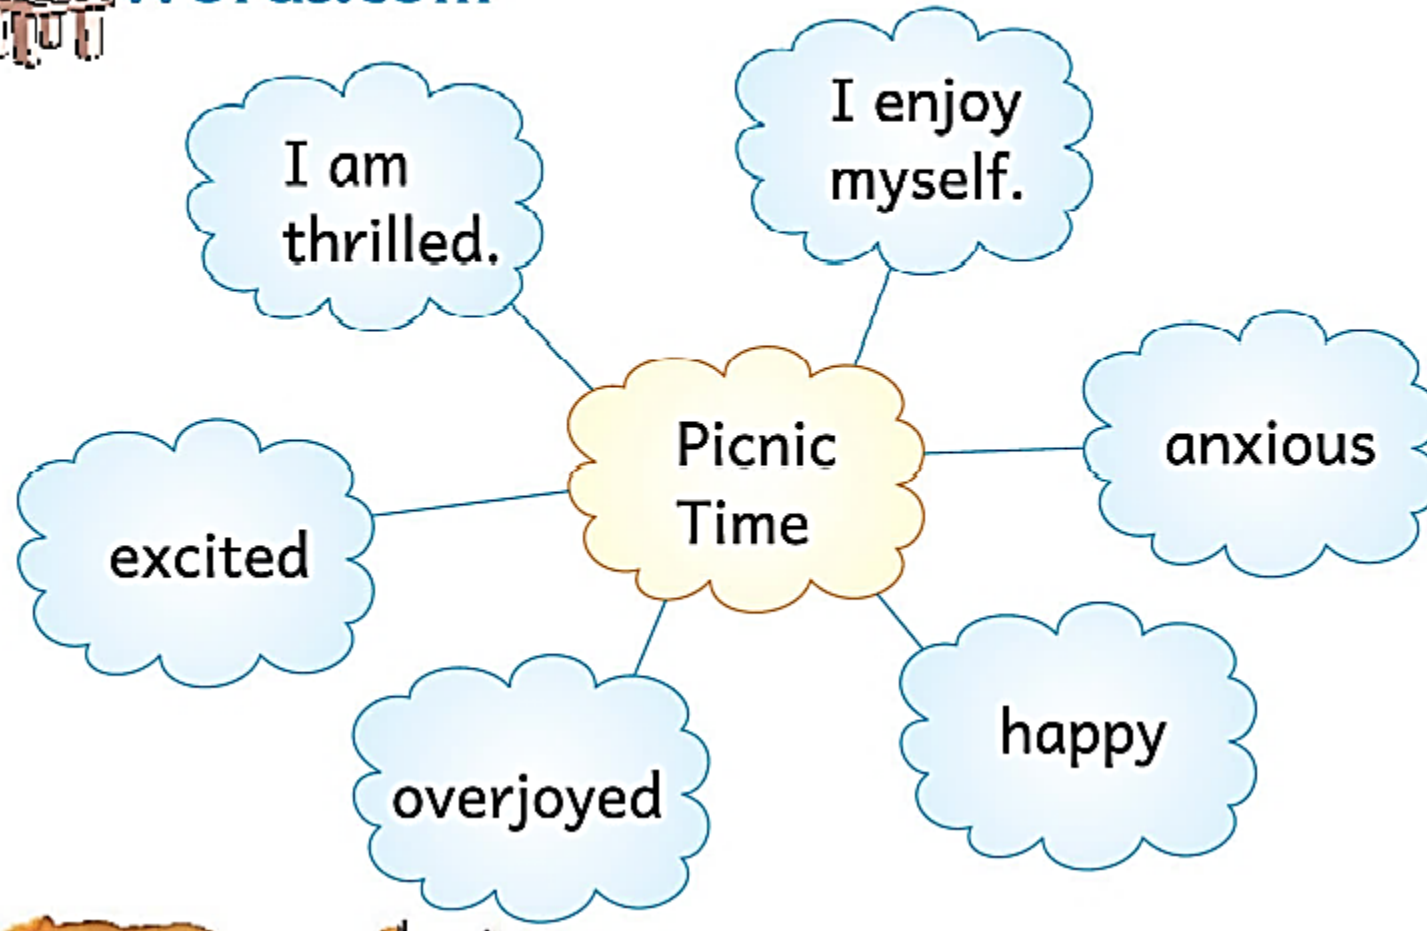

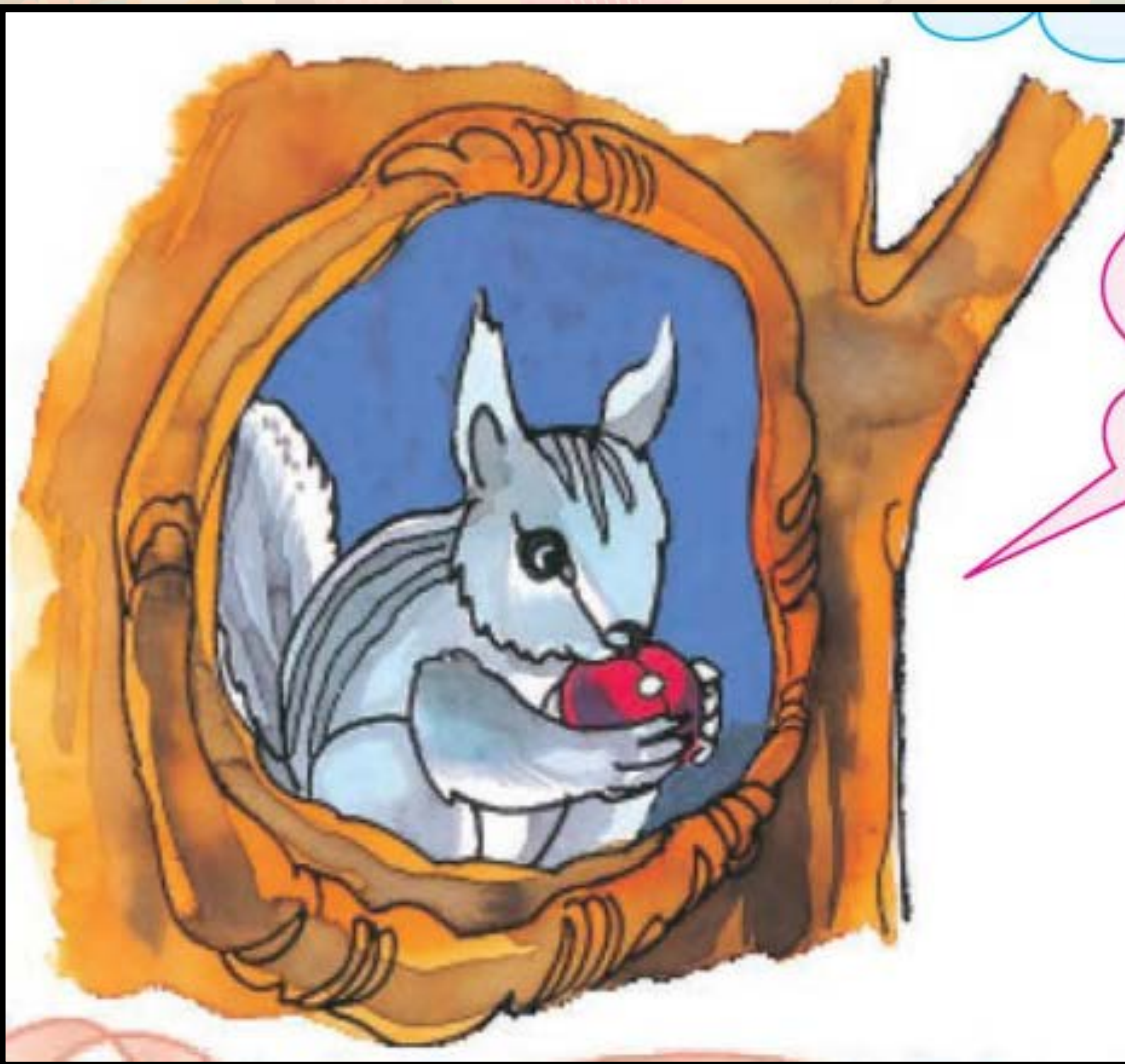

Teacher's Note :

- **Read the poem, tell the children about herbs and shrubs.**
- **Discuss the importance of growing plants.**

My house is
called **drey**.
I make it in a tree.

I love to swing
from one branch
to another.
I love trees.

I make my
nest in a tree.

We all are alive
because of trees.
So grow more
trees.

THANK YOU
