

3. My Mother Class 2 English

My pretty mom, with hair so curly.

Is late to bed, but gets up early.

She doesn't wait for the alarm to ring.

Nor for any bird to sing.

She knows what dad likes and what I do not,

She gives me milk that's neither cold nor hot.

Packing my tiffin is no easy task.

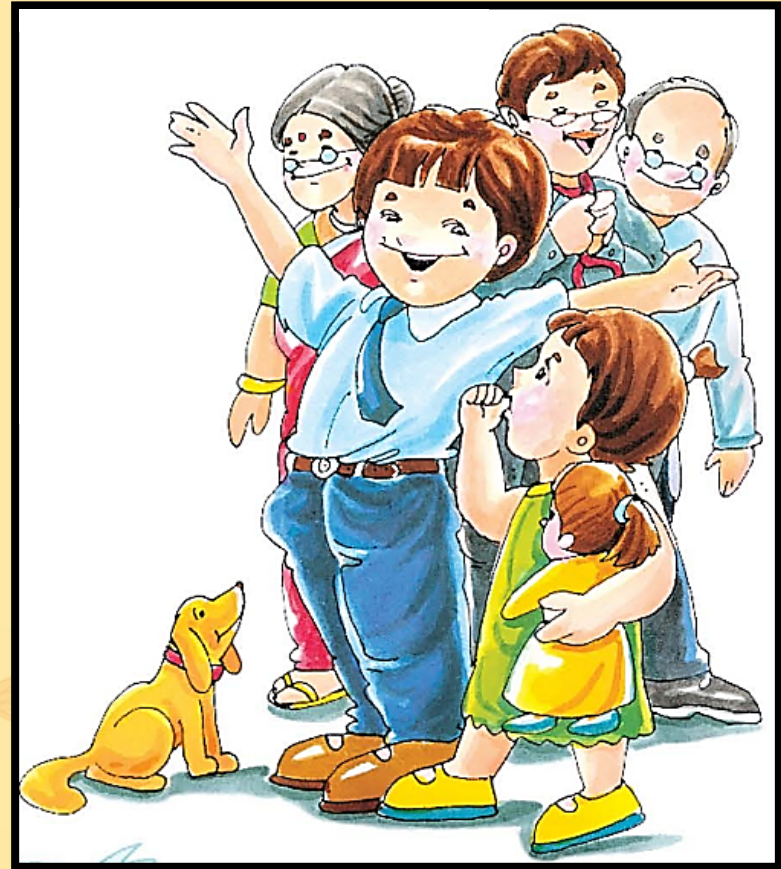

Who makes the sandwiches ; my friends often ask.

We all help her, she's the best.

We make sure, she gets enough rest.

My sister, though small, doesn't trouble.

**My grandma blesses all,
but blesses her double.**

THANK YOU
