

# Chapter – 7 Types of Family

## Class – 2

### E.V.S

**A family consists of parents and their children.**

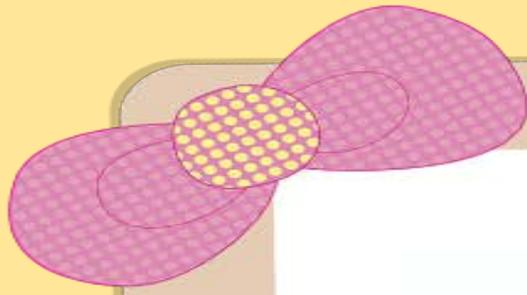

**All members of a family live together in a house.**

**Some families are large while some are small.**

**We see three types of families in our neighbourhood:**

- 1. Small/Nuclear family**
- 2. Large family**
- 3. Joint family**

## **1. SMALL/NUCLEAR FAMILY**

**There are three or four members in a small family.**

**A small family has parents and their one or two children.**

**A small family is a happy family.**

## 2. LARGE FAMILY

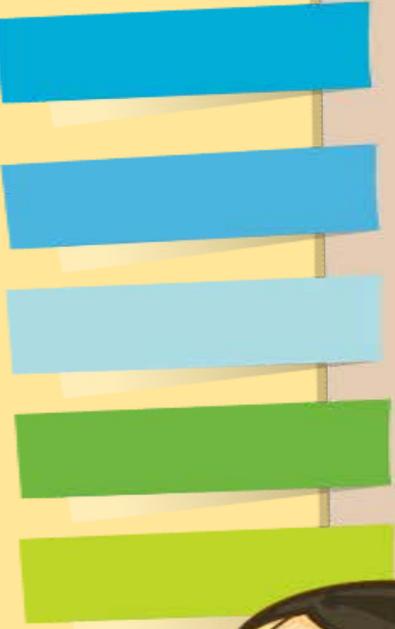

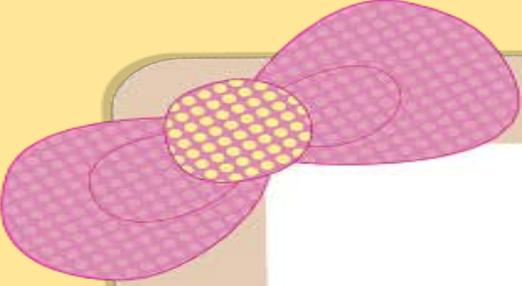

A large family has parents and their more than two children.

### 3. JOINT FAMILY

A joint family has grandparents, parents, uncles, aunts and their children.

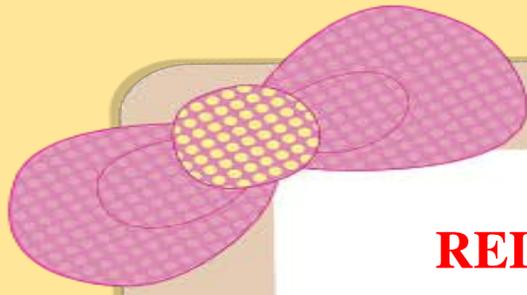

**Children of a joint family learn  
good habits, good manners and moral  
values from their grandparents.**

**A joint family has its own importance in the society.**

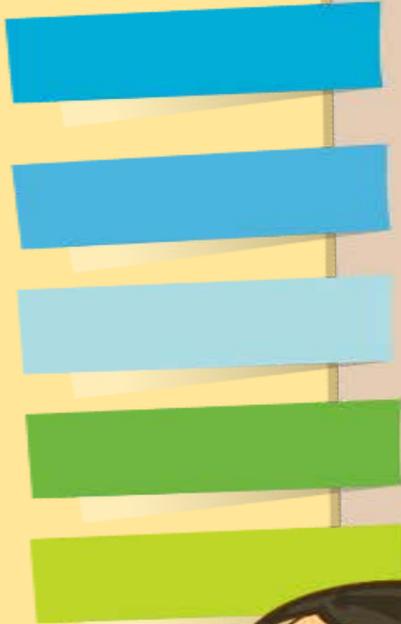

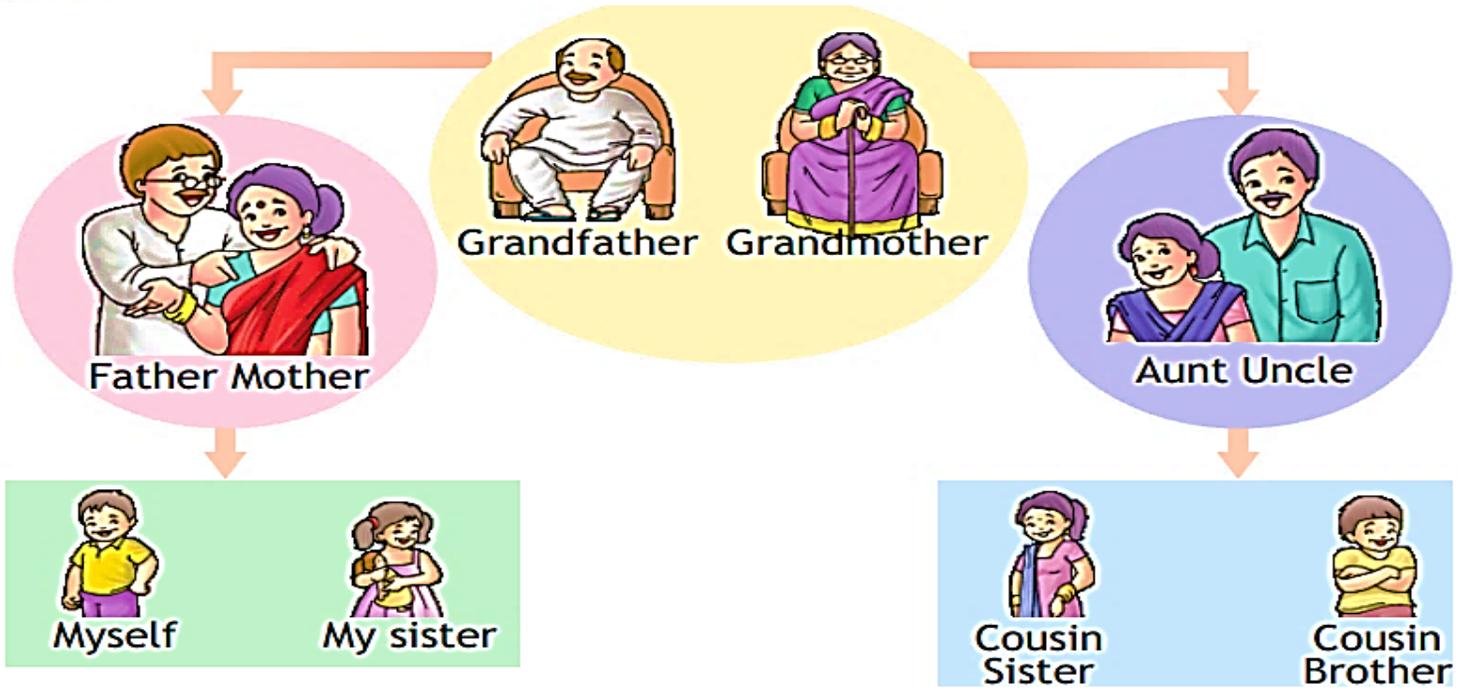

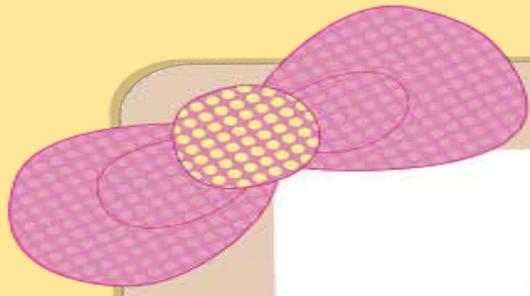

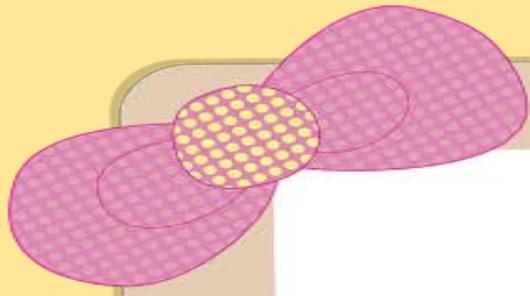

## **RELATIONSHIP**

**All the family members are related to one-another.**

- **My father's father is my grandfather.**
- **My father's mother is my grandmother.**
- **My father's brother is my uncle.**
- **My uncle's wife is my aunt.**
- **My uncle's children are my cousins.**

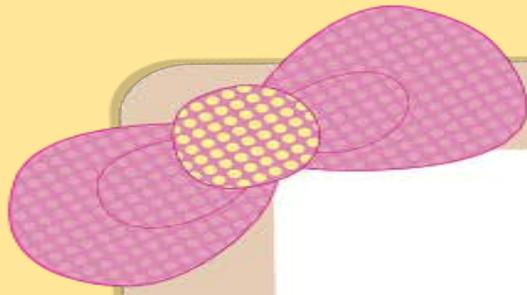

### **Fact File**

- **Father/Grandfather is the head of a family.**
- **Pet animals also live with the family.**

## **Things to Remember**

- **Parents and their children make a family.**
- **A small family leads a happy life.**
- **Children in a joint family learn good values from their grandparents.**
