

2. Be Good

CLASS 4
ENGLISH

Children you are sweet.
You can be sweeter still
If you obey your parents
And remain thrilled.

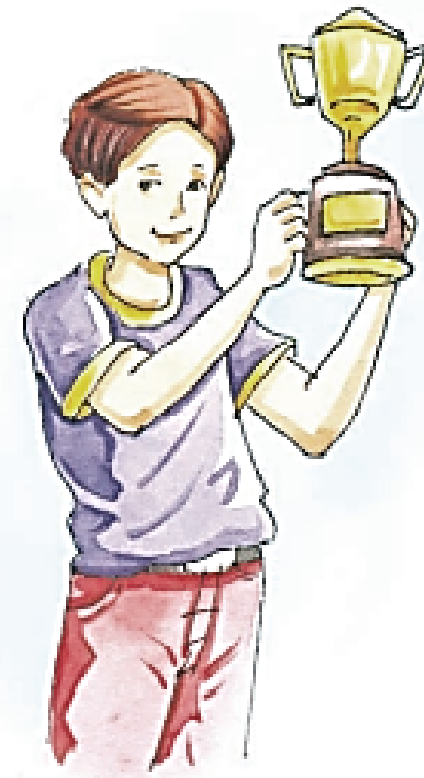

Children you are the future leaders.
You need to learn
As without knowledge
Can anyone earn?

Children whatever you do
Always do the best.
Compete with yourself
Don't be scared of any test.

Be good and do good.
You are no one to judge others.
Be caring and live peacefully
With your sisters and brothers.

Don't call names
Calling names and teasing is wrong
God doesn't want you to be bad
He wants you to be good and strong!
