## Traffic Rules

Ronny has a new cycle  
He loves to skid and move round in circle.  
Like a hobgoblin  
He loves to turn and spin  
Thinks he's strong, but he's thin.

Zig zagging, zip-zap zooming  
With danger always looming.  
His parents say, "safety rules definitely pay.  
Cycle helmet you must wear.  
Instructions you should hear."

Now Ronny knows the traffic rules  
Who can break them?  
Only fools!
