

How to Write Rupees and Paise Jointly?

⇒ We all of us already know about rupees and paise very well. Now, we learn to write Rupees and paise jointly.

Look at the Example:

	Rupees				Paise	
	Hundreds	Tens	Ones	:	Tenths	Hundredths
1.	3	2	6	:	5	0
2.	4	0	0	:	0	0

A. Notice the point dividing the whole rupees from the paise.

B. We know 100 paise make 1 rupee. In money, two digits will always be written after the point.

Example 1: For rupees 326 and 50 paise we will write ₹ 326.50 in short form.

Example 2: For rupees 400 we will write ₹ 400.00 in short form.
