

# CIRCULAR SEATING ARRANGEMENT

## Circular Seating Arrangement

Now let's start the detail discussion of Circular Seating Arrangement and few important reasoning question answer.

### **Point 1**

In a circular arrangement a person always seating on a circular manner. The direction would be depends on the words used, that is towards left or towards right. which also depends on persons who facing center or facing outwards in a circular seating arrangement.

### **Point 2**

In a seating arrangements confirmed persons or objects should be position first.

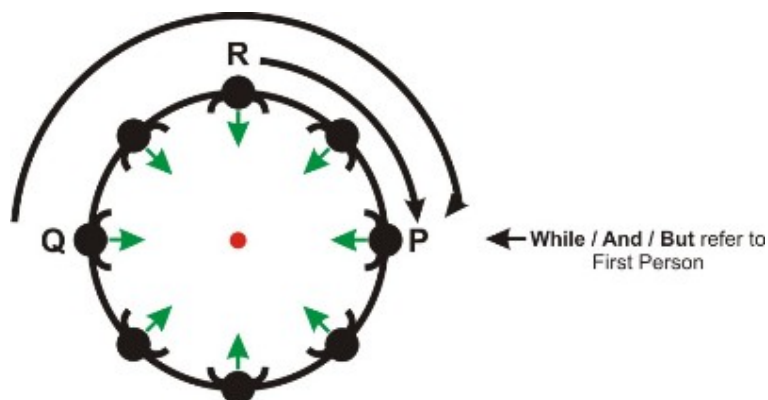

### **Point 3**

In Circular arrangements first person can be position anywhere.

### **Point 4**

In some cases BUT / AND / WHILE is used, So the person refer to first person of that previous sentence.

**Example :** In a circle seating arrangement facing center P is fourth to the left of Q, (WHILE / AND / BUT ) 2nd to the left of R.

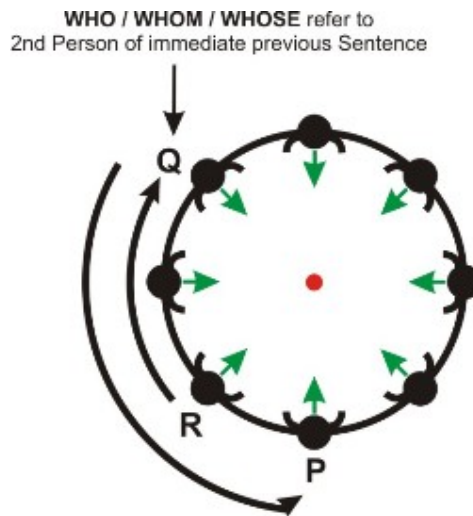

### **Point 5**

The word (WHILE / WHO / WHOM) is used, So the person refer to 2nd second person of immediate previous sentence.

**Example :** In a circle seating arrangement facing center P is 3rd to the right of Q ( WHILE / WHOM / WHO ) is 2nd to the left of R.

### **Tricks**

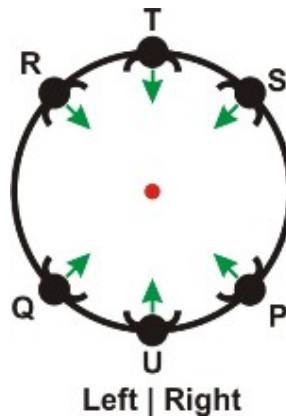

- First count the person / objects, then according to that draw a circle and mark on it.
