

## Clothes and Place

### Clothes And Place We Live

We need clothes to cover ourselves and protect us from dust, rain, insects, sunlight, etc. Like food and shelter are basic needs of a human being to survive. Similarly, clothes are also one the essential parts of our daily life.

People in different parts of the world wear different types of clothes. People living in cold places generally wear dark colored warm clothes.

People living in hot places generally wear light colored cotton clothes which make them feel cool.
