WORKING

Step-1: Click on the Task Assign Button From Pie Chart. Page will appear.

The screenshot shows a 'Task Assign' page with a teal header. Below the header, there are four task cards, each with a lightbulb icon, a title, and three buttons: 'Un-Assign Task' (red), 'Report' (purple), and 'Teaching' (blue). A progress bar at the bottom of each card shows the percentage of students who have cleared the concept.

- Factors and Multiples:** 'Un-Assign Task' button is highlighted with a callout: 'Used to **Unassign** the Task'. The 'Teaching' button is highlighted with a callout: 'To see concept videos, Notes, Questions & Exercise'. The progress bar shows 'Cleared: 0' and '0%'.
- Prime & Composite Numbers:** The 'Assign Task' button is highlighted with a callout: 'Used to **Assign** the Task.' The progress bar shows 'Cleared: 0' and '0%'.
- Tests for Divisibility of Numbers:** The 'Assign Task' button is highlighted with a callout: 'Used to **Assign** the Task.' The progress bar shows 'Cleared: 0' and '0%'.
- Common Factors and Common Multiples:** The 'Un-Assign Task' button is highlighted with a callout: 'Used to **Unassign** the Task.' The progress bar shows 'Cleared: 0' and '0%'.

A callout at the bottom right indicates: 'Indicates the percentage of student, who have cleared the concept'.
