

Their Importance

Neighbouring places are very important because they help us in our daily life.

Let's see how these places are useful to us:

School

- Helps children to learn new things.
- We make friends and learn to read, write, and play.

Market

- We buy things we need like food, clothes, toys, and more.
- Helps us get fresh vegetables, fruits, and groceries.

Park

- A place to relax, walk, and play.
- Keeps us happy and healthy.

Hospital

- Doctors and nurses help us when we are sick or hurt.
- We get medicines and care here.

Post Office

- Helps us send letters and parcels.
- People also save money here.

Bank

- Keeps our money safe.
- Helps people save and take out money when needed.

Police Station

- Keeps us safe and maintains law and order.
- Helps us if we are in trouble or need protection.

Quick Summary Chart:

Place	Why It's Important
School	Helps us learn and grow smart
Market	We buy daily things here
Park	A place for fun, play, and exercise
Hospital	Cures us when we are unwell
Post Office	Sends our letters and parcels
Bank	Keeps our money safe
Police Station	Protects us and keeps the place safe
