

Housse - A Safe Place

A house is a place where we live safely with our family. It protects us from heat, cold, rain, and wild animals.

Why Do We Need a House?

- To live with our family
- To stay safe and protected
- To keep our things safe
- To rest and sleep
- To stay safe from animals and thieves
- To protect ourselves from bad weather (sun, rain, wind, cold)

Good House Features

- Doors and windows – for fresh air and sunlight
- Roof – protects from sun and rain
- Walls – keep us safe
- Clean and tidy – for good health
