

## Rooms in a House

A house has different rooms, and each room is used for a different purpose to help us live comfortably.

### Types of Rooms and Their Uses

#### Bedroom

- We sleep and rest in the bedroom.
- We keep our clothes and beds here.

#### Kitchen

- We cook food in the kitchen.
- We keep gas stove, utensils, and food items here.

#### Bathroom

- We take bath and brush our teeth in the bathroom.
- We keep soap, shampoo, and towel here.

#### Living Room / Drawing Room

- We sit, rest, and talk with guests here.
- We keep sofas, chairs, and TV in the living room.

#### Dining Room

- We eat our meals in the dining room.
- We keep dining table and chairs here.
