

## Wild, Domestic and Pet Animals

### Wild Animals

- Wild animals live in forests, jungles, or natural places.
- They take care of themselves and do not live with people.

#### Examples:

- Lion, Tiger, Elephant, Monkey, Zebra

### Domestic Animals

- Domestic animals are kept on farms.
- They help people in work or give us milk, eggs, and wool.
- People take care of them.

#### Examples:

- **Cow** – gives milk, **Hen** – gives eggs, **Sheep** – gives wool, **Horse** – used for carrying loads, **Goat** – gives milk

### Pet Animals

- Pet animals are kept at home for love and fun.
- They are friendly and playful.
- We must care for them like family.

#### Examples:

- Dog, Cat, Parrot, Fish, Rabbit

### Quick Recap Chart:

Type	Where They Live	Examples
Wild Animals	Forests, jungles	Lion, Tiger, Elephant
