

# Animal Homes, Babies and Sound

We'll cover the following key points:

- Body of an Animals
- Home and Sound of an Animal

Hi, I'm EeeBee

Still curious?  
Talk to me by  
scanning  
the QR code.

## Learning Outcomes

By the end of this chapter, students will be able to:

- Learn that animals live in different homes, like nests, caves, and holes.
- Understand that some animals live in trees, and some live on the ground.
- Know that animals have babies in different ways, like from eggs or live births.
- Learn that baby animals grow and change as they get bigger.
- Understand that animal parents take care of their babies.

## Let's Start

Veena to dog's clinic.

Animals also need a home to live in. Wild animals and birds make their homes themselves.

Domestic and pet animals live in homes made by us.

We can know more about some animals, their homes, babies and their sounds.

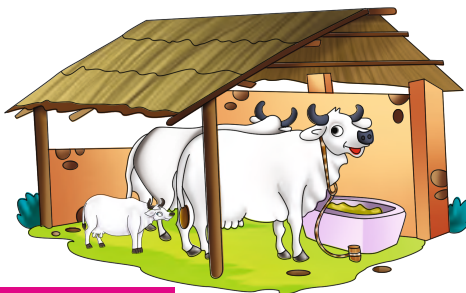

A **lion** lives in a **den**.

A baby lion is called a **cub**.

A lion **roars**.

Lion in a Den

Cows in a Shed

A **cow** lives in a **shed** built by us.

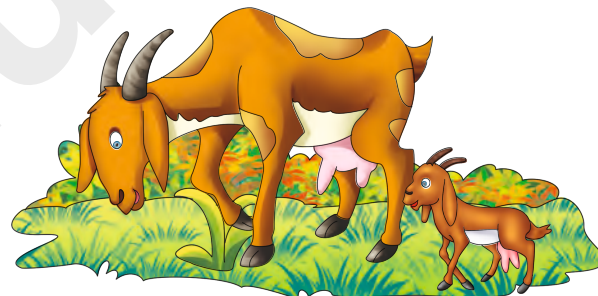

Baby cow is called a **calf**.

A cow **moos**.

A **goat** lives in a **farm**.

Its baby is called a **kid**.

A goat **bleats**.

Goat in a Farm

Horse in a Stable

A **horse** lives in a **stable** built by us.

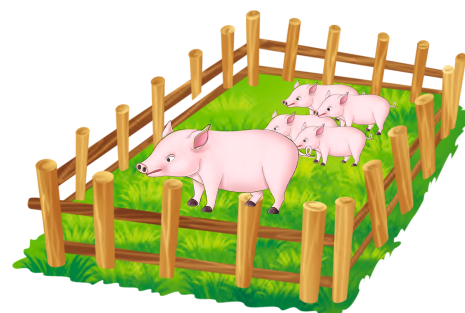

A baby horse is called a **colt**.

A horse **neighs**.

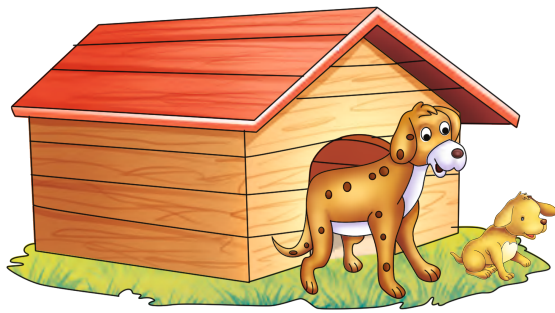

A **pig** lives in a **sty**.

A baby pig is called a **piglet**.

A pig makes a **grunng** noise.

Pigs in a Sty

Dog near by a Kennel

A **cat** lives in our **house**.

Baby of a cat is called a **kitten**.

A cat **mews**.

Ducks in a Pond

A **sparrow** lives in a **nest**.

Baby of a sparrow is called a **chick**.

A sparrow **chirps**.

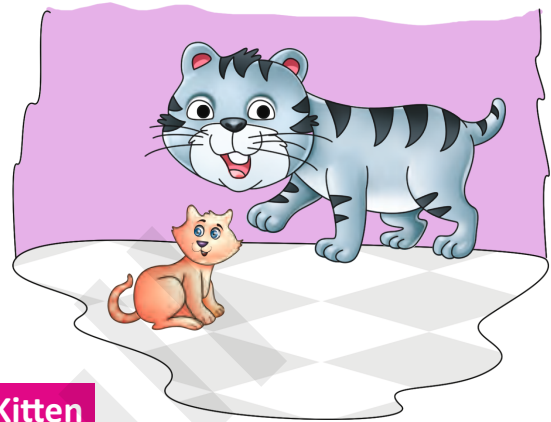

Hens in a Coop

A **dog** lives in a **kennel** built by us.

Baby of a dog is called a **puppy**.

A dog **barks**.

Cat with its Kitten

A **duck** lives in a **pond**.

Baby ducks are called **ducklings**.

A duck **quacks**.

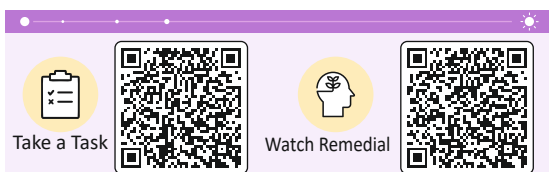

Sparrow and chicks in a Nest

A **hen** lives in a **coop** built by us.

Baby of hen is called a **chick**.

A hen **cackles**.

### Let's Do

Make two teams of children in the class. Let one team make an animal sound. Another team has to guess it. The team which makes the more number of correct guesses will win.

### Word Treasure

- **Farm** : A place to do agricultural works.
- **Pond** : A small water place.

### Let's Revise

- Wild animals make their own homes.
- Domestic and pet animals live in the homes made by us.
- Different animals have different sounds.

## Clean and Green Exercises

Gap Analyzer..  
Take a Test

### A. Match the following animals with their babies:

#### Column 'A'

1. Dog
2. Cow
3. Goat
4. Lion
5. Duck
6. Horse

#### Column 'B'

- (a) Colt
- (b) Duckling
- (c) Puppy
- (d) Calf
- (e) Kid
- (f) Cub

### B. Answer the following questions:

1. Where do wild animals live?

.....

2. Where do domestic and pet animals live?

.....

C. Here is a word grid in which seven animal sounds are hidden. Find them out and write them in the space given below:

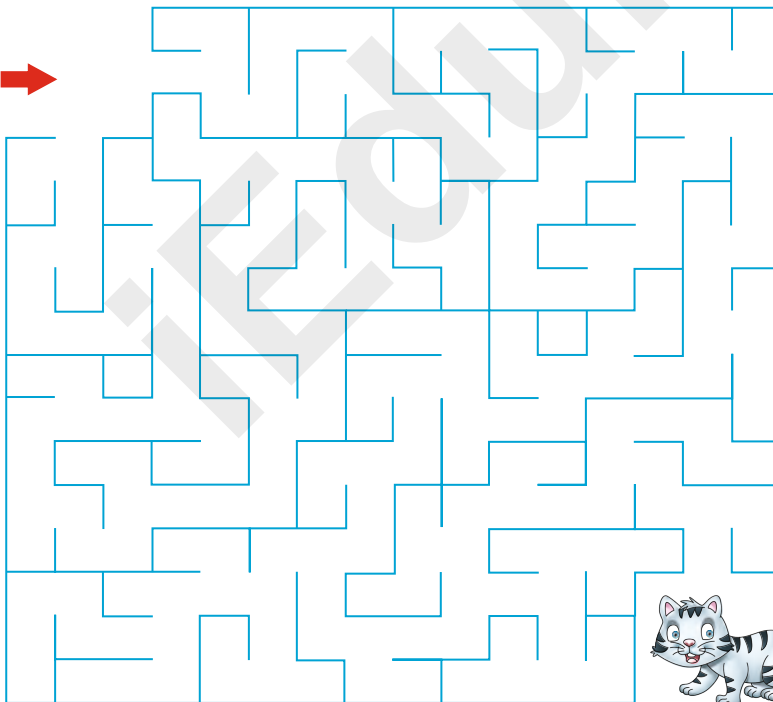

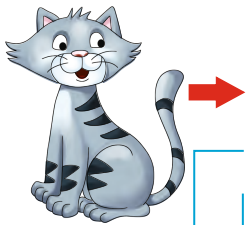

1. ....
2. ....
3. ....
4. ....
5. ....
6. ....
7. ....

R	O	A	R	A	C	F	X	N	B	Z
Z	Y	B	D	M	E	W	L	E	Q	X
C	H	I	R	P	O	N	M	I	W	O
Q	S	U	T	W	V	I	K	G	E	P
G	R	U	N	T	J	R	A	H	R	Q
I	O	U	C	E	K	W	G	P	T	S
Q	B	D	E	A	B	A	R	K	Y	M
Q	U	A	C	K	L	O	M	N	W	N

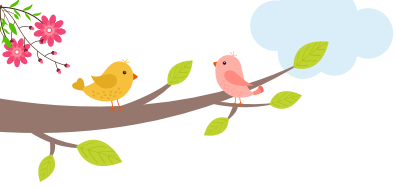

## Nut Cracker

A kitten is separated from her mother cat. Choose the right way for it and mark it with a pencil.

If you see someone beating his/her domestic animal, what will you do then?

# Wonder Explorers

## Where They Live and How They Speak

STEM

Learn about animal homes and their sounds.

### Activity: Home and Sound Match

1. **Task:** Match animals with their homes and the sounds they make.

**Examples:** **Dog:** Kennel, Barks      **Bee:** Hive, Buzzes      **Bird:** Nest, Chirps

2. **Activity:** Present your matches and mimic the sounds of the animals.

### Learning

Discover the different types of homes animals build and their unique ways of communication.

**Skills Covered:** Observation, Creativity, Communication

## Little Techies

Artificial Intelligence

### Ask an AI device like Alexa or Siri:

1. What are the different types of animal homes?
2. How do animals use sounds to communicate?

**Skills Covered:** Logical thinking, Digital literacy, Curiosity

## Colors and Creations

Art

Draw an animal and its home (e.g., a bird in a nest or a lion in a den). Use colors to make it beautiful. Share your drawing and describe how the home helps the animal survive.

**Skills Covered:** Creativity, Expression, Collaboration

## Language Links

Learn and write the names of animal homes and sounds in your mother tongue and another language. Discuss how people from different cultures describe animals.

**Skills Covered:** Language awareness, Social skills
