### LEAD IN

EeeBee the robot rolled into the classroom with a bright smile.

- “Hello, friends! Today, I brought a magical paintbrush. Do you know what it can do? It can add colours, shapes, and feelings to any word!”
- “If I just say box, it sounds simple, right? But if I say a shiny red box, doesn't the picture become clearer in your mind? That's the power of Adjectives!”

## What is an Adjective?

An **Adjective** is a word that **describes** or **modifies** a **Noun** or **Pronoun**.

### Example:

The **Tall** man entered the **noisy** room with a **Blue** bag.  
("tall", "noisy", and "blue" describe the nouns.)

## Types of Adjectives

There are 6 key types of Adjectives:

### 1. Adjective of Quality

Describes the kind or nature.

**Example:** kind girl, tall building, rough road

### 2. Adjective of Quantity

Tells how much of something.

**Example:** some water, little effort, enough money

### 3. Adjective of Number

Tells how many or in what order.

**Example:** five apples, first prize, several students

### 4. Demonstrative Adjective

Points out which one(s).

**Example:** this book, those stars, that house

### 5. Interrogative Adjective

Used with Nouns to ask questions.

**Example:** Which book? What movie? Whose phone?

### 6. Possessive Adjective

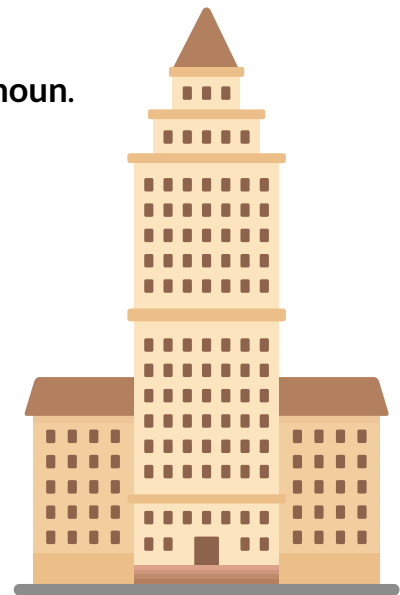

Shows ownership.

**Example:** my pen, your shoes, their house

## Degrees of Comparison

Adjectives can **compare** people or things.

Degree	Example
Positive	Ria is <b>tall</b> .
Comparative.	Siya is <b>taller</b> than Ria.
Superlative	Meera is the <b>tallest</b> of all.

## GRAMMAR BYTE

- Add **-er / -est** for short words: tall → taller → tallest
- Use **more / most** for long words: beautiful → more beautiful → most beautiful

## Order of Adjectives

When we use many Adjectives, there's a natural order to follow:

Opinion → Size → Age → Shape → Colour → Origin → Material → Purpose + **Noun**

### Example:

- A beautiful small old round golden Indian wooden cooking pot.

## Adjective vs Adverb Confusion

Sometimes, we mix up Adjectives and Adverbs. Here's the key difference:

Part of Speech	Describes	Example
Adjective	Noun	She is a <b>quick</b> runner.
Adverb	Verb/Adj	She runs <b>quickly</b> .
