AI ENABLED SCHOOLS

ZERO
INVESTMENT

LIMITLESS
TRANSFORMATION

We design, deploy and manage
end-to-end AI infrastructure
for schools with zero investment.

The future of
education is here.

Edubull Promise

"We say what we mean, we deliver
what we Promise"

AI Today.
Leaders **Tomorrow.**

edubull

WHAT IS EDUBULL?

India's 1st AI School Infrastructure Company

We empower schools with AI-driven pedagogy, intelligent technology and future-ready infrastructure to create better learning outcomes for every student.

300+

Schools
Already AI Enabled

10,000+

Teachers
Empowered

& UAE

THE THREE PILLARS OF AN **AI ENABLED SCHOOL**

PEDAGOGY

AI Powering Learning

- Hybrid AI Textbooks
- AI Assessment
- Personalized Learning
- Bloom's Taxonomy
- NEP & NCF Alignment
- CT & AI Aligned
- Baseline Testing
- GAP Analyzer™

TECHNOLOGY FREE

- AI LMS
- AI Tutor
- Language Lab
- Coding Platform
- Analytics Dashboard
- Offline Flipbook with 3D Content

INFRASTRUCTURE FREE

- AI Interactive Board
- AI & Robotics Lab
- Smart Classroom Offline
- Teacher Training
- School Transformation
- iHub IIT Certification

THE FUTURE IS ALREADY HERE

AI Personalization Learning
for Every Learner

Data-Driven
Decisions

Teacher AI Co-Pilot

Future-Ready
Competencies

Limitless Potential.
Infinite Possibilities.

**Our
Mission**

One Ecosystem. One Partner.

Bye Bye to Fragmented Hardware and Technology.

ONE ECOSYSTEM. EVERYTHING YOUR SCHOOL NEEDS AT ZERO INVESTMENT.

Everything connected. Everything powered by AI.

1 AI Hybrid Textbook Series

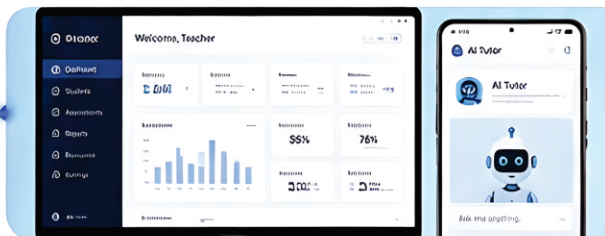

Foundation of AI-enabled learning.

2 AI Slate

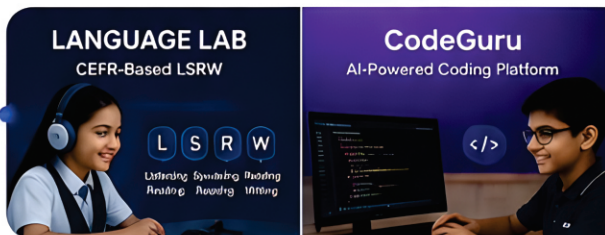

AI-powered teaching inside every classroom.

3 EeeBee.ai LMS

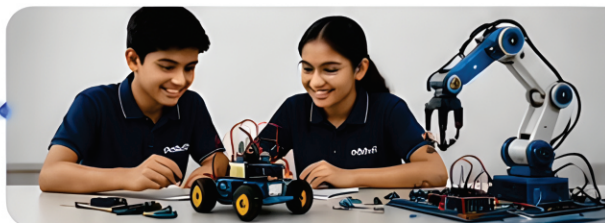

Connected learning, assessment & management.

4 Future Skills Labs

Communication, Coding & Future Skills.

5 Vishwakaar AI & Robotics Lab

Innovation through hands-on learning.

Zero Investment. **Limitless Transformation.**

AI SLATE

AI Interactive Board The World's Most Powerful AI Teaching Machine

Transform every classroom into an AI-powered interactive learning environment. AI Slate combines a high-performance interactive display with Edubull's intelligent teaching ecosystem to make learning immersive, engaging, and effortless.

AI SLATE HARDWARE

	Android & Windows Dual OS
	Android 14+
	40-Point Multi-Touch
	4K UHD Display (60 FPS)
	Anti-Glare 4 mm Toughened Glass
	Built-in Speakers, Microphone & Camera
	OPS Expansion Support
	HDMI, USB & Type-C Connectivity
	Available in 65" • 75" • 85"

TWO POWERFUL MODES

OFFLINE TEACHING

Advanced Smart Board

Write, draw, annotate and present lessons effortlessly.

3D Interactive Content

Access AI Hybrid Textbooks

Built-in Assessments

Bilingual Podcasts

Works without Internet

ONLINE AI TEACHING

EeeBee AI Assistant

Draw diagrams, explain concepts, solve equations and answer classroom questions instantly.

Embedded PhEt Simulations
Interactive Science & Math simulations

AI-generated Explanations
Instant accurate and easy to understand

AI PPT Generator
Create Complete lesson presentations in seconds.

Live Quiz Maker
Generate engaging classroom quizzes instantly.

GeoGebra
Teach and learn math in a smarter way

4K
UHD

Stunning 4K Display
Crystal clear visuals for every lesson

AI-Powered Assistant
Intelligent help for teachers and students, anytime.

Advanced Smart Board
Write, annotate, collaborate and teach with ease.

Live Quiz & Assessments
Make learning interactive and measurable

Built for Schools
Designed for every
stakeholder

PRINCIPAL

Complete School
Control

- Real-time School Dashboard
- AI Academic Insights
- Board Result Predictor
- Early Warning System
- Unified ERP & Academics

OUTCOME

- ✓ Better Academic Decisions
- ✓ Higher School Performance
- ✓ Complete School Visibility
- ✓ Better ROI

TEACHER

AI Teaching
Assistant

- AI Lesson Planning
- AI Exam & Assignment Generator
- Class Performance Analytics
- AI Doubt Support
- AI Digital Evaluation

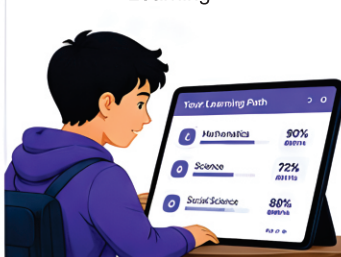

OUTCOME

- ✓ Save 70% Teaching Time
- ✓ Better Classroom Delivery
- ✓ Data-Driven Teaching

STUDENT

Personalized AI
Learning

- Baseline Assessment Gap Analyzer™
- AI Tutor
- AI Remedials and Learning Path
- Revision Tools (Notes, Videos)
- Practice Tests & AI Exams

OUTCOME

- ✓ Learn at Your Own Pace
- ✓ Fill Learning Gaps
- ✓ Better Exam Scores

PARENT

Stay Connected,
Stay Informed

- Live Progress Tracking
- Learning Gap Updates
- Parent-Teacher Communication
- Instant Notifications

OUTCOME

- ✓ Complete Transparency
- ✓ Early Intervention
- ✓ Better Learning Support

WHY SCHOOLS CHOOSE AI LMS

</> CodeGuru AI

DON'T JUST LEARN TO CODE. LEARN TO THINK.

In the AI era, anyone can generate code.
The **real skill** is building solutions
through **logic**, **problem-solving** and
computational thinking skills.

Build Thinkers. Not Just Coders.

THINK LIKE A PROGRAMMER
