The Smartest Smartboard Ever Made

Real AI Features, Not Just Marketing

AI Teaching Assistant: The context-aware AI engine creates entire ready-to-teach lessons with multimedia resources in seconds

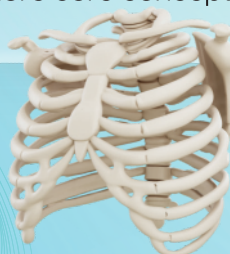

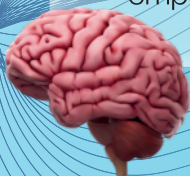

Lesson Plan: AI-powered feature to automatically generate structured lesson plans on the smartboard.

Solve Maths: Solves complex equations (even handwritten ones) and provides step-by-step explanations and related graphs.

AI Gen Concepts: Access to AI-generated learning concepts and explanations videos and, pictures.

Ultimate Visual Engagement: Instantly transform abstract subjects using **3D and 4D Gamified Interactive Simulations**. Access professional models like 3D **Human Anatomy** and Anatomy 2.0 alongside a vast library of **Physics and Math Simulations**, empowering students to manipulate and explore core concepts in real-time.

Dolby Atmos

Anti-glare AG

camera microphone

Universal Board Selection: Select and apply content alignment **ICSE, IB, Cambridge, State Board, American, or British** curriculum.

The world's first "AI on the Wall." This revolutionary interactive panel transforms the classroom into a dynamic, collaborative ecosystem. By functioning as an intelligent co-pilot for teachers, it transforms in-class learning, freeing educators to inspire, mentor, and cultivate the critical thinkers of tomorrow

Welcome to the future of teaching. Welcome to effortless instruction.

AI Chat: A conversational interface for teachers to ask complex questions and receive detailed instructional support.

Generate Diagram: Innovative tool to create or visualize relevant diagrams on the fly.

AI Quiz Maker: Quickly generates quizzes based on the current curriculum or content being taught.

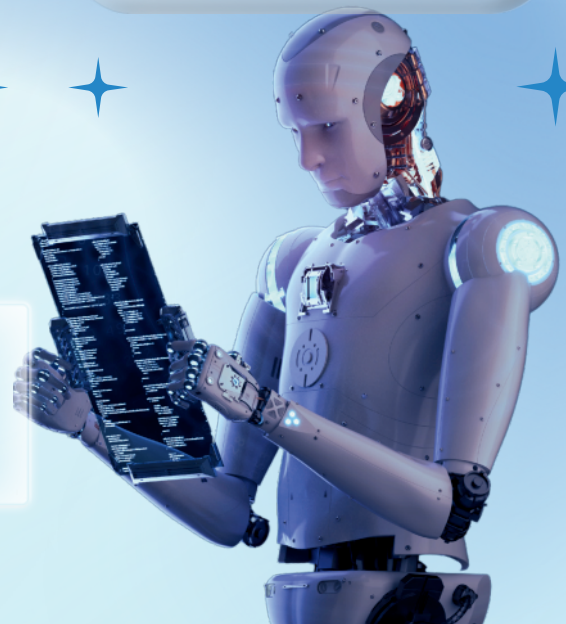

AI PowerPoint Generator:

Automated creation of full-length, professional presentations, including pictures and Video links.

Access To The Edubull Library: Direct, integrated access to exclusive content, including **Notes, Educational Videos, Mind Maps, Chapter eBooks, and Podcasts** (in Hindi & English).

seamlessly
for **CBSE,**
Board,
cula.

Fastest, Smoothest, Sleekest Hardware.

1. Product Name: Edubull AI Slate
2. Configuration (Android & Windows)
3. OS - Android 14+ Score
4. Google EDLA Certificate
5. Quad-core, 2.4G + 5G WiFi, Bluetooth
6. Panel Brand: BOI / LG Brand
7. Resolution: 3840 × 2160 (4K)
8. Touch Type: Infrared, 40 Touch Points
9. Aspect Ratio: 16 : 9
10. Viewing Angle: 178°
11. Speaker: 2 × 20W
12. 6mm Anti-glare Tempered Glass (Mohs Level 7)
13. Whiteboard Software Included
14. Android 14.0, 8GB RAM + 128GB ROM
15. Support Printing Brand Logo
16. With Wall Mount Bracket WiFi Antennas, Stylus
17. Color: Full Black, 10Bit, 16.7M
18. Response Rate: 6ms
19. Brightness: 350 nits
20. Refresh Frequency: 60Hz
21. Contrast Ratio: 5000 : 1
22. Protection: AG Tempered Glass
23. Interfaces: USB 3.0 × 1, USB 2.0 × 4, HDMI IN × 2, RJ45 × 1, TOUCH × 2,
 - a. Earphone × 1, AV IN × 1, SPDIF OUT × 1, RS232 × 1, VGA IN × 1
24. Front Interface: HDMI IN × 1, USB × 2, USB 3.0 × 1, TOUCH × 1
25. OPS Slot: Available
26. Power: Max Power Consumption ≤150W, Standby ≤0.5W
27. Available Sizes: 55", 65", 75", 86", 100", 110"
28. Upgrade Option: Upgrade Memory: 8GB RAM + 128 RAM (Available for each size)
29. Zero Bonding: Zero bonding allows better writing experience. The pen is closer to the inside
30. Technology: screen, resulting in less delay.
31. Camera & Microphone: 4K UHD Camera, 48.0MP + MIC
32. Accessories Included:
 1. 1. Wall Bracket in Black Color
 - a. 2. Writing Pen
 - b. 3. Remote Control
 - c. 4. Power Line
 - d. 5. Instruction Manual
 - e. 6. HDMI Cable
 - f. 7. Touch Cable
33. Rear Panel: AV Inputs: HDMI 2.0 (4K@60Hz) × 2, DVI.2 (4K@60Hz) × 1,
 - a. VGA (1920 × 1080@60Hz) × 1, USB (Touch) × 4
 - b. AV Outputs: HDMI Out × 1
 - c. Other: USB 2.0 (Dynamic) × 1, USB 3.0 (Dynamic) × 1, USB 2.0 Embedded × 1,
 - d. RS232 × 1, RJ45 × 2, OPS Slot (4K@60Hz) × 1, DC 5V-2A Out, Line Out × 1,
 - e. SPDIF Out × 1

The AI Slate is a revolutionary fusion of hardware performance and AI intelligence. It is the product that your educators will embrace and your students will thrive under. Secure your school's position at the forefront of global educational innovation.
